You earn while you grow.. And you grow while you earn...

Team Matching Income

α	\$5000	10000PV, 20000 PV AND 50000 PV	

Team Matching bonus

100 PVs earned anyhow will not be flushed but will remain till it matches.

Daily Pair matching for X.1, X.2 & X.3 caps @ 5000 PVs (25 Pairs) daily.

One cannot earn PVs of higher packages in his tree, higher than PVs of his own product.

Team Matching Income

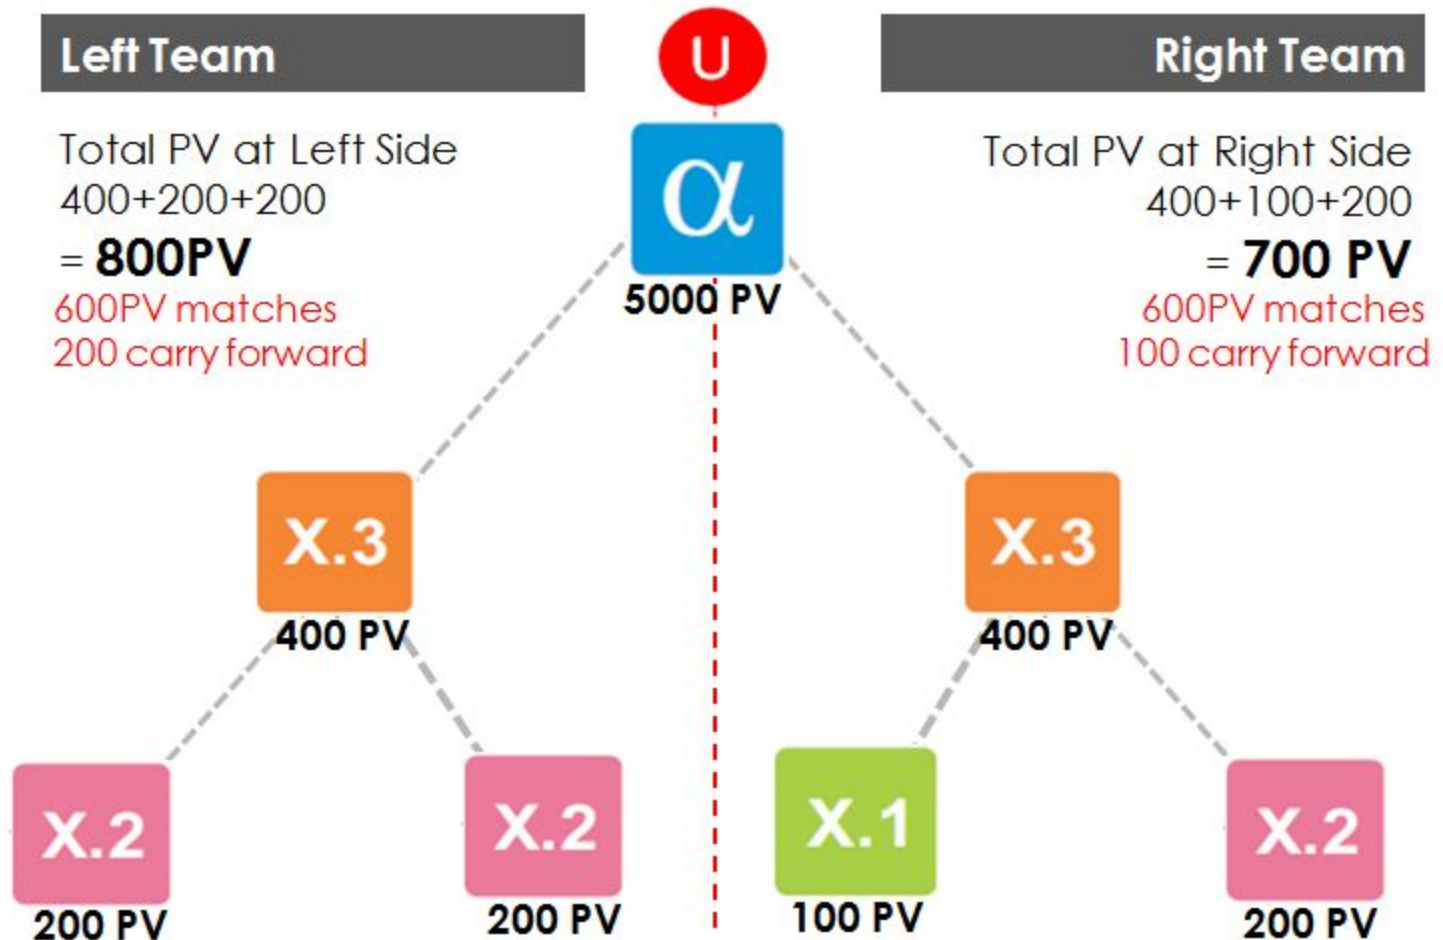

CASE: 1

GROW YOUR TEAM.....EARN MORE

Team Matching Income

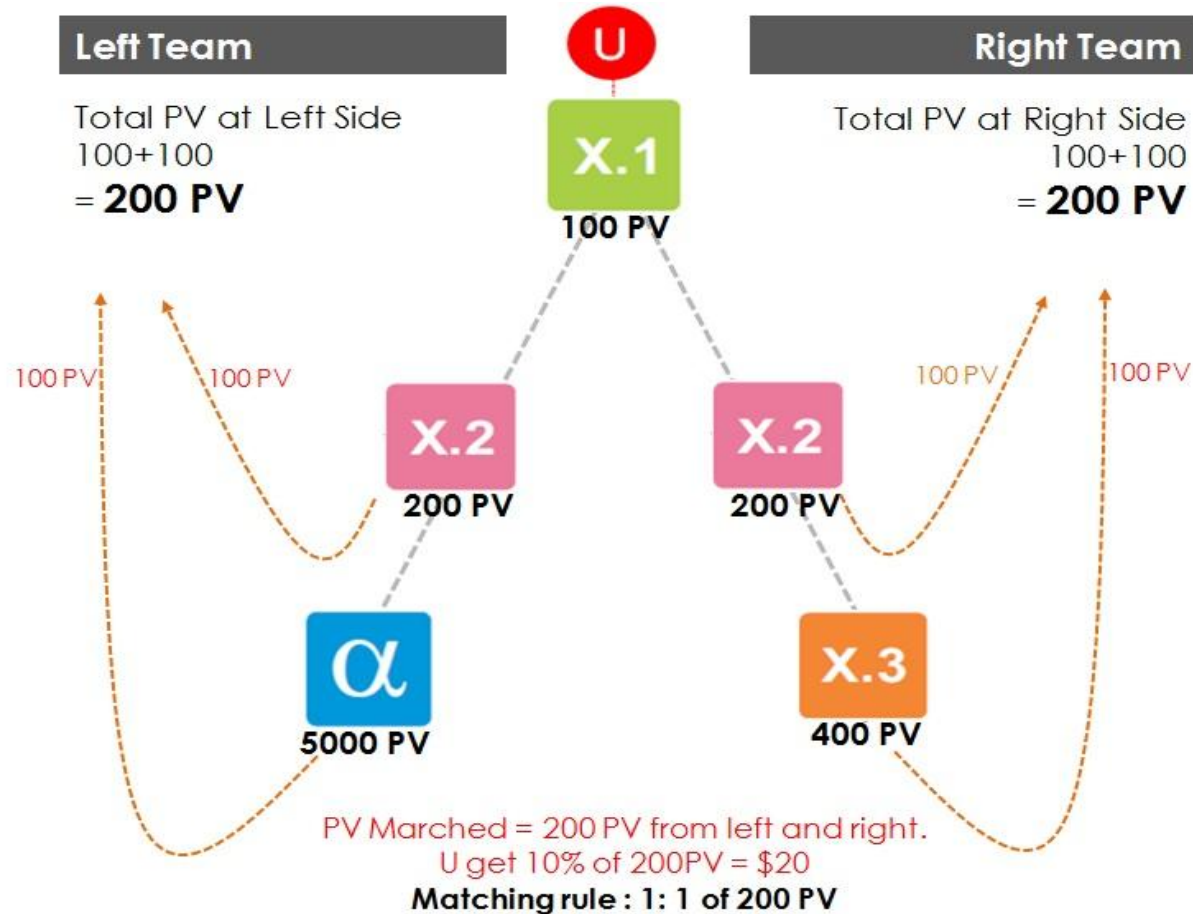

CASE: 2

PV Matched = 600PV from left and right.
 U get 10% of 600PV = \$60

Team Matching Income

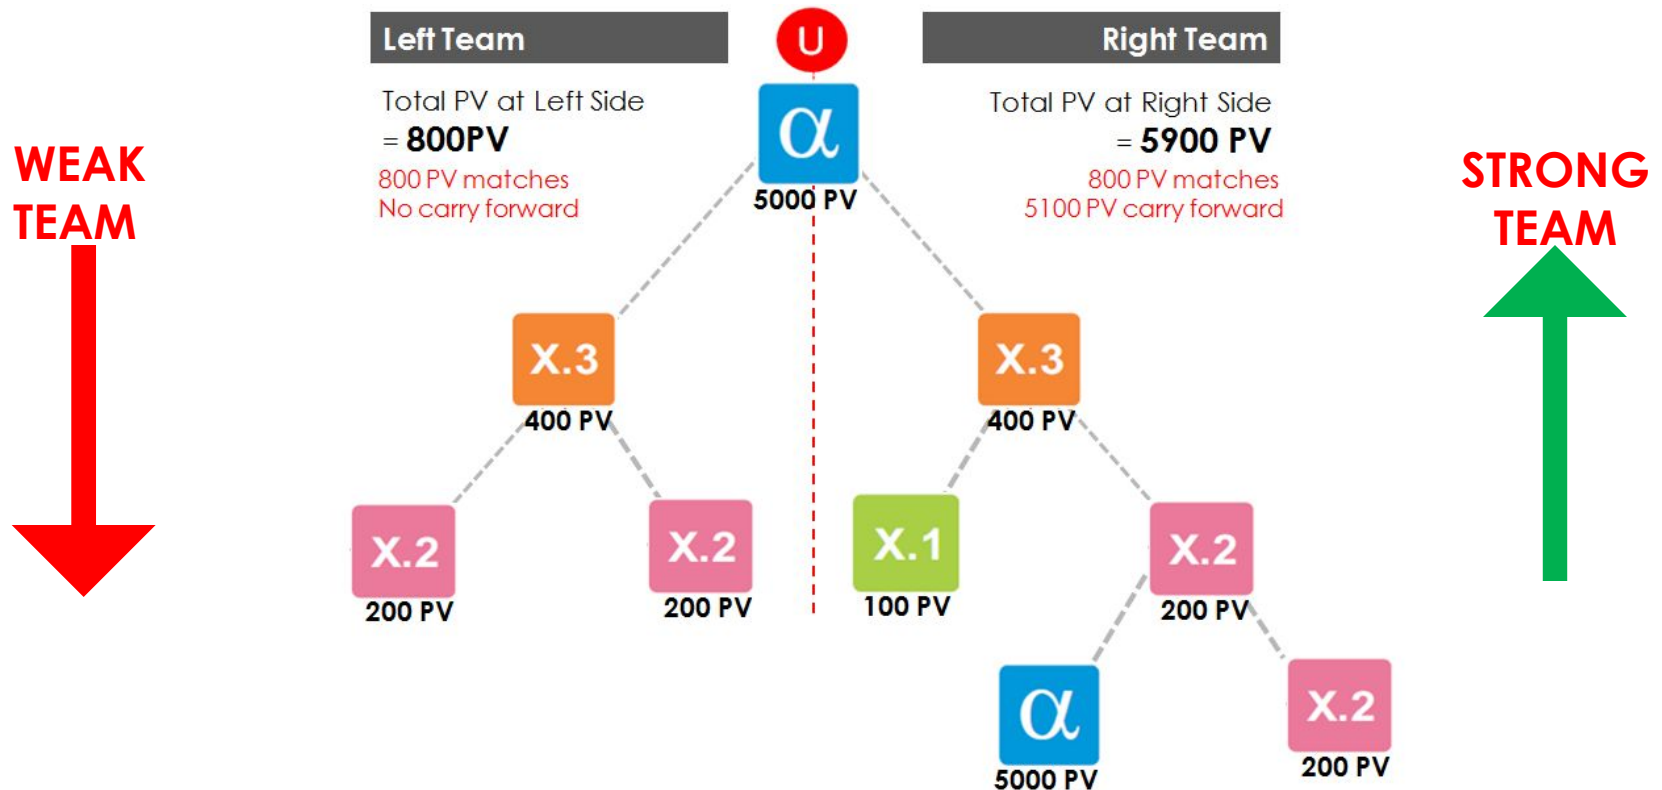

CASE: 3

One can only get PV's maximum equal to his own package
 E.g: X.1 can not get more than 100 PV from any product sales

The POWER PLAY

CASE: 4

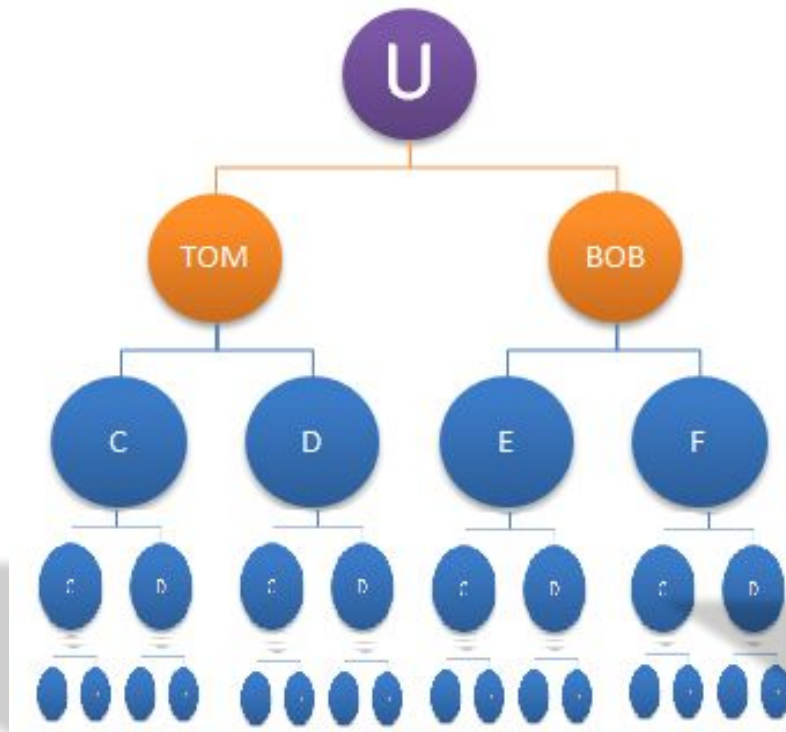

PV Matched = 800PV from left and right.
 U get 10% of 800PV = \$80
 Matching rule: 1: 1 of 200 PV

- You may also notice that the left side is now "**WEAKER**" and the right side is "**STRONGER**"
- Ideally U should give more focus on WEAK side to avail more binary matching by using **Power of 2 formula.**
