To the end of 1941 there were about 15 thousands wounded people in Pyatigorsk. Citizens took care of every soldier.

A lot of Pyatorsk's companies and factories started to make military equipment.

*A lot of people from Pyatigorsk went to war
and never come home again*

Pyatigorsk was occupied in August 9, 1942

Several youth underground groups, which bravely fought against the hated enemy, were organized in Pyatigorsk .

*Pyatigorsk is proud of women, workers of rear.
They were perfect snipers.*

Heavy fighting continued several days and in January 11, 1943 Pyatigorsk was released from the occupation

We are proud of the brave heroes of the Great Patriotic War.
