The essence of thought, as the essence of life, is growth...

Introduction

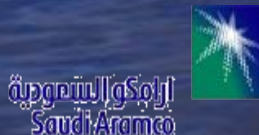

Dear Students,

You are welcomed to participate in a fascinating net surfing through the leading oil and gas world companies. This time you have an excellent chance to challenge your knowledge and to widen your scope of mind. You are to surf the web sites studying career possibilities offered by such companies as Shell, Lukoil, Saudi Aramco, British Petroleum, Halliburton, Schlumberger, Chevron, TNK BP and Gazprom.

The Web Quest will help you to define your further career chances and it will be of great importance when applying for job in the nearest future. The supported links will help you to carry out this task. You will be able to use various internet tools and create your own project in the net.

Best wishes,
Your EFL Instructors

Task

For accomplishing this Web Quest you are to do:

1. Register at www.yahoo.com or www.yandex.ru and create your own e-mail box;
2. Install ICQ at www.icq.com;
3. Register at www.livejournal.com and create your personal blog;
4. Follow the provided links to carry out your tasks;
5. Feel free to contact your ESL Instructors via e-mail or ICQ.

Process

Task 1

Step 1

Study the general information about 8 top oil and gas companies following next links:

1. Look through the Halliburton home page. Find the motto of the company.
<http://www.halliburton.com/>
2. Who were the founders of the company? What country did they first find oil?
<http://www.bp.com/sectiongenericarticle.do?categoryId=9014440&contentId=7027520>
3. What are the key elements of TNK BP's strategy?
<http://www.tnk-bp.com/company/>

Process

Task 1

Step 2

Set up a blog at Live Journal (www.livejournal.com) and create a user profile with your contact information. Include your instructor's blog in your "friend list". Answer the quest list and post the results in your blog.

Process

Task 2

Step 1

Choose two companies you are most interested in and write your first self-reflective essay describing your choice.

Step 2

Fill in the form of the resume and post it in your blog.

Process

Task 3

Step 1

Study the list of specialties your companies offer you. Describe advantages and disadvantages. What are the 5 top needed specialties? Put your reflections in your personal blog.

These links will be helpful to manage the task.

If you have chosen Shell, follow these links:

http://www.shell.com/home/Framework?siteId=careers-en&FC2=/careers/en/html/iwgen/you_and_your_career/job_areas/zzz_lhn.html&FC3=/careers-en/html/iwgen/you_and_your_career/job_areas/job_areas_13102006.html

http://www.shell.com/home/Framework?siteId=careers-en&FC2=/careers-en/html/iwgen/student_graduate/zzz_lhn.html&FC3=/careers-en/html/iwgen/student_graduate/dir_students_graduates_07082006.html

If you have chosen Lukoil, follow these links:

http://www.lukoil.com/static_6_5id_267_.html

If you have chosen Saudi Aramco, follow these links:

<http://jobs.saudiaramco.com/jobs/jobs/homeAction.do>

If you have chosen Halliburton, follow these links:

<http://www.halliburton.com/careers/>

http://www.halliburton.com/careers/univ_intern_appr.jsp

<http://www.halliburton.com/careers/profiles.jsp>

If you have chosen British Petroleum, follow these links:

<http://www.bp.com/multipleimagesection.do?categoryId=127&contentId=7018058>

If you have chosen Schlumberger, follow these links:

<http://www.slb.com/content/careers/needs/index.asp>

If you have chosen Chevron, follow these links:

<http://careers.chevron.com/students/>

http://careers.chevron.com/career_and_benefits/growth_opportunities.aspx

<http://careers.chevron.com/disciplines/default.aspx>

If you have chosen Gazprom, follow these links:

<http://gazpromjob.ru/resume.php>

If you have chosen TNK BP, follow these links:

<http://www.tnk-bp.com/press/media/2005/7/1665/>

<http://www.tnk-bp.com/career/>

Task
