

WHAT I DO

By *Faith Alessio*

Sometimes I dance

when I am glad.

dancing

But I cry

when I am sad.

crying

When I mean yes,
I **nod** my **head**.

When it's time to **sleep**,

I get ready for **bed**.

Mommy and **Daddy**

come in to peek.

Daddy

Mommy

That's when I kiss
them on each cheek.

I hug my parents
oh so tight.

hugging

I **crawl** into **bed**,
and turn out the **light**!
