

WHAT I DO

By Faith Alessio

Illustrated by Anca Delia Budeanu

Sometimes I dance

when I am glad.

dancing

But I cry

when I am sad.

crying

When I mean yes,

I **nod** my **head**.

nodding

When it's time to **sleep**,

I get ready for **bed**.

Mommy and **Daddy**

come in to peek.

Daddy

Mommy

That's when I **kiss**
them on each **cheek.**

kissing

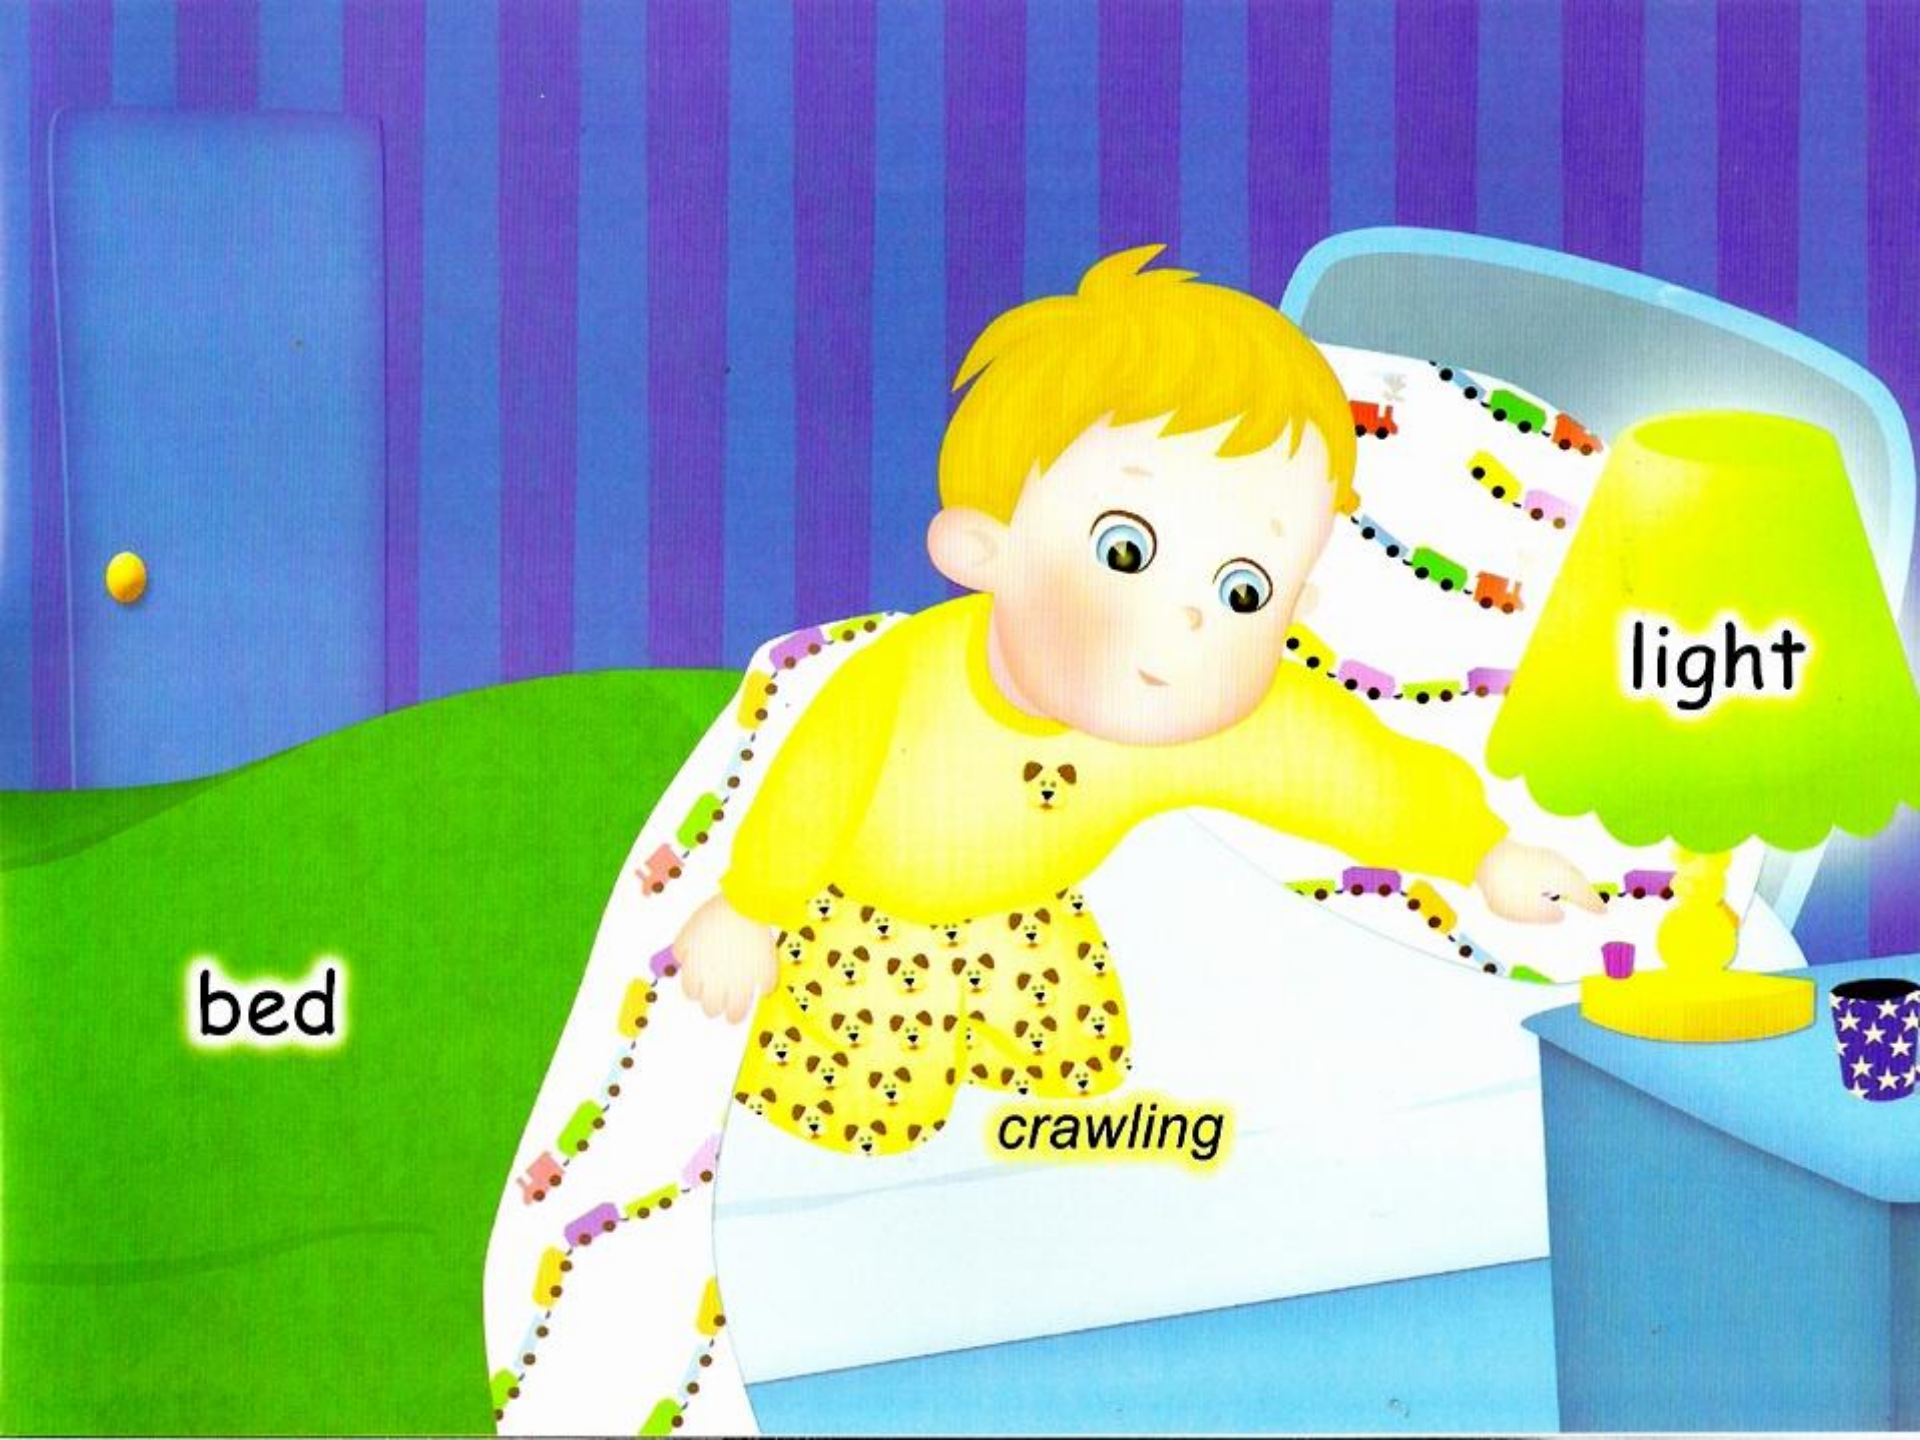

I hug my parents

oh so tight.

hugging

I **crawl** into **bed**,
and turn out the **light!**
