ARAYLYM WROTE STORY, AND SHOWS IT TO FRIENDS

-Excellent story, Araylym!

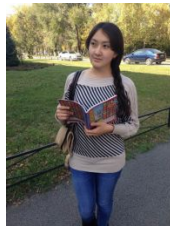

-Thanks a lot

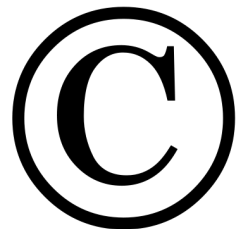

-Yes, you have a talent.

-Girls, I have an idea!

- What kind of idea?

-why don't you publish this story?

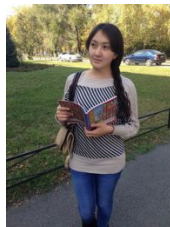

-Excellent idea, Akmaral!

-Thanks, but I don't know as?

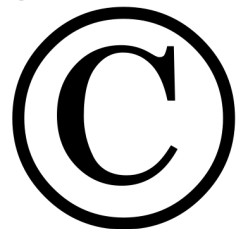

-You should acquire copyright, for this purpose you should descend to the consultant and to learn about it.

-Girl's thanks for excellent idea!

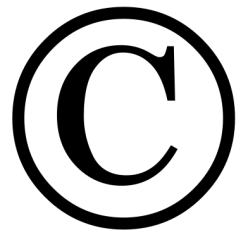

-Good luck to you!

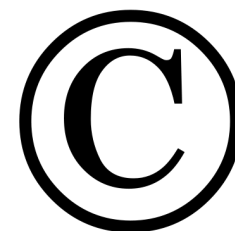

Arailym are
thinking who
can help. And
remember that
Marzhan
finished juristic
department

Araylym met with Marzhan and she consulted her how to acquire copyright.

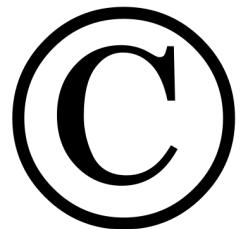

-You do not have to register your work to receive and retain copyright protection, but if you plan to publish, post, or otherwise distribute your work, it may be a good idea to do so since registration confers a number of legal benefits. You may register a work at any time while it is still in copyright.

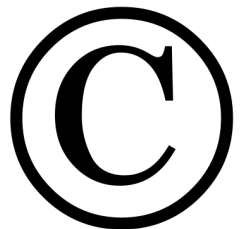

-Thanks a lot

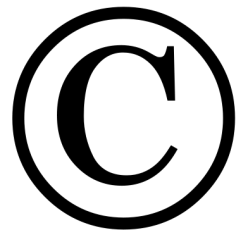

How Copyright protects works

- Copyright protects "original works of authorship" that are fixed in "a tangible form of expression." The fixed form does not have to be directly perceptible so long as it can be communicated with the aid of a machine or other device.

Later she officially received the certificate about copyright. Also I understood that it isn't so difficult. Everyone can receive it.

THANKS FOR ATTENTION!
