

**TODAY THERE ARE MANY
INTERESTING AND VARIOUS
SUBCULTURES, BUT I WILL
TELL ABOUT THE CLOSEST
FOR ME.**

FOOTBALL FANS

The subculture football fans was created at the beginning of 1930 after football became popular game worldwide.

Each football club has the own staff of fans which supports the team at the games and tournaments.

On big tournaments football fans are very happy, colourful and original

Each person can become the football fan.
Fan can be any age. Of 5 years to 100 and more.

Football fans are very active, devoted, bright, but some groups of fans are cruel and aggressive.

Fans began to show more and more criminal character, destroying everything on the way after football matches. Representatives of two football clubs meet together to solve, what club most the best.

There is a long-term rivalry between fans of this or that team who lasts and now.

The football unites all fans on the earth
