WALLCOVERINGS

Каталог SILVER DAMASK из коллекции дизайнерских обоев FRESCO включает в себя 90 образцов, выполненных на бумажной основе с акриловым напылением.

Эта коллекция представляет собой сочетание современного дизайна и традиционных мотивов, которые отображены в рельефной поверхности, выполненной с помощью сложной технологии нанесения рисунка.

При создании этой коллекции учитывались лучшие из современных трендов на рынке. Природные текстуры в сочетании легкими красками с металлизированным пигментом создают совершенство, но в тоже время дают ощущение тепла и уюта.

Так же ключевыми элементами коллекции являются фоновые текстуры. Мелкая ломаная клетка, муаровые узоры и эффект «дикого шёлка» добавляют своеобразие и шарм.
