

MY WORKING DAY

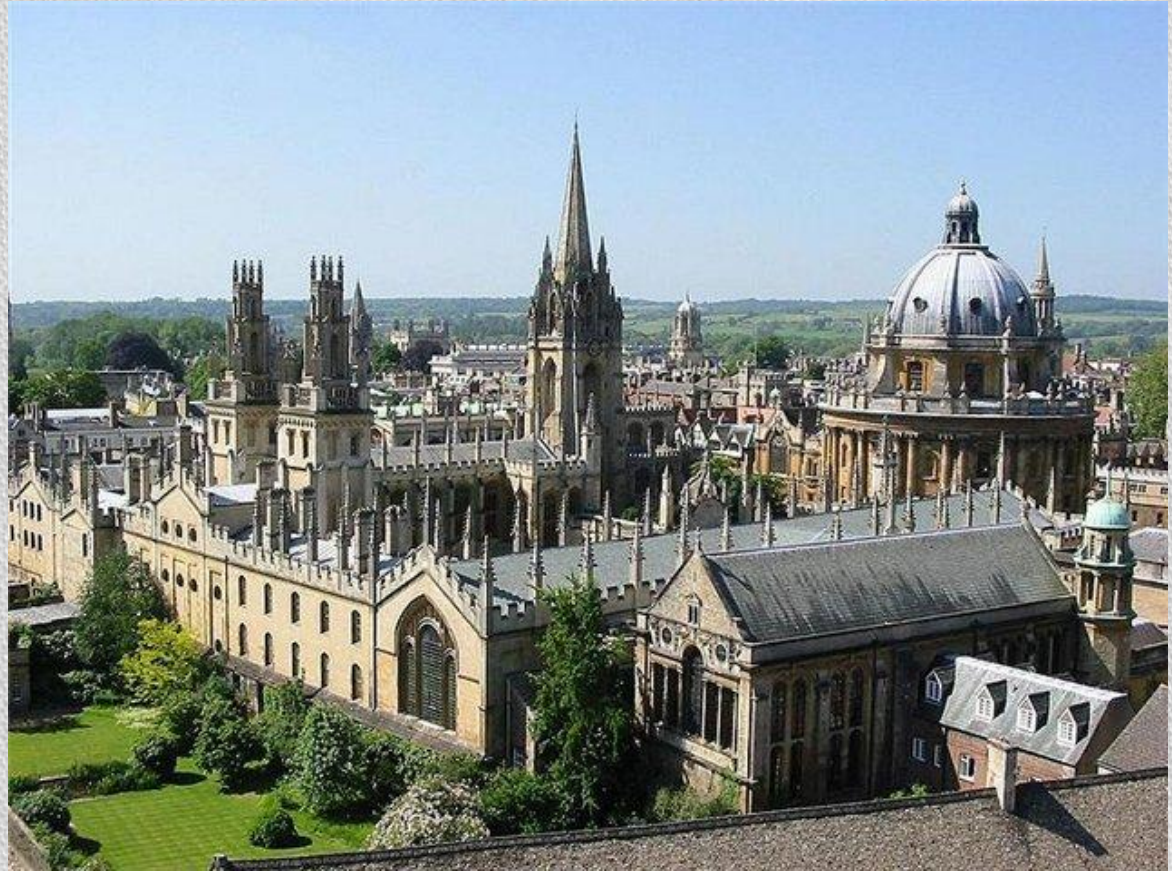

by Tormina Elizaveta

My working day begins at 8 o'clock in the morning when I get up. I go to the bathroom, wash, brush my teeth and comb my hair. After that I start with make up. Then I go to my bedroom where I dress, do a bad and go to the kitchen to have breakfast/

For breakfast I usually have porridge, boiled eggs, tea or coffee and some cookies.

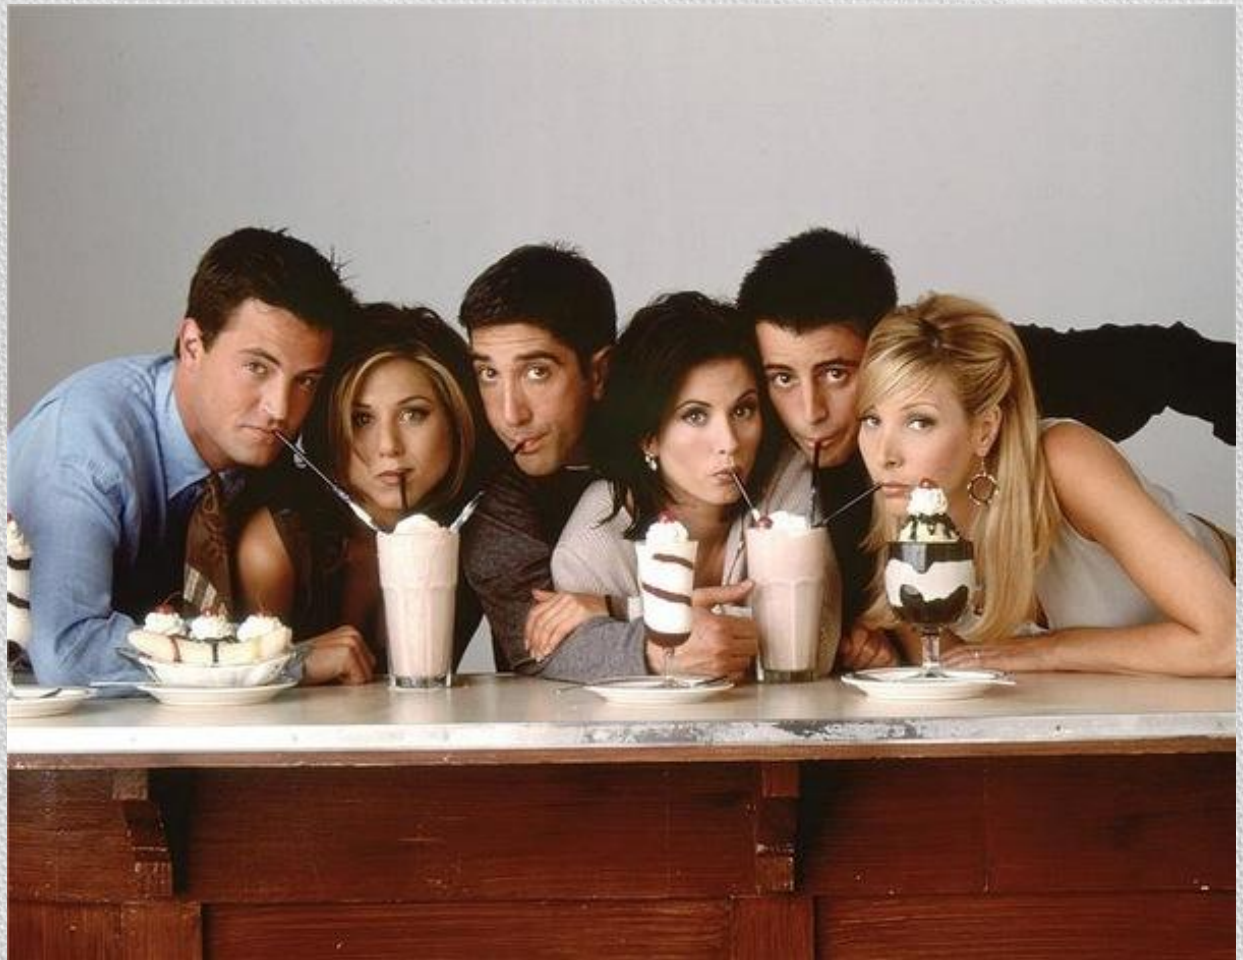

At 10:30 I leave home for university. I'm never late. I always come to the institute in time. I go to university five days a week. It takes me 40 minutes to get there by bus. The lessons are over at four o'clock. Between lessons me and my friends to have something for a bite.

I am back at home at 5 o'clock, dress up, turn on the music and start cooking. I always like listen to music, because music my inspiration.

My mother usually return home at 6 o'clock. We have dinner at 6 o'clock.

After dinner I start to do my homework. It usually takes me about one o'clock. I like to read fiction. In the evening I go for a ride with my friend on his motorcycle. We have fun with our common friends.

At 12 o'clock I take a shower,
brush my teeth and go to
bed. I fall asleep fast and
have no dreams.
At this my day ends.

A faint, light-colored illustration of a plant with several leaves and buds is visible in the background, primarily on the right side of the page. The plant has a central stem with several leaves of varying sizes and shapes, and a cluster of buds or small flowers at the top. The overall style is simple and elegant, with a focus on natural elements.

Thank you!
