

News and Gossip

News is the communication of selected information on current events which is presented by print, broadcast, Internet, or word of mouth to a third-party or mass audience.

Ways to receive news

- Print: news papers and magazines
- Broadcasting
- Television
- Internet sites
- Social networks

Internet is the most popular way to receive information for modern people

A person is holding a large black sign with white text. The sign is held up by two hands, one on the left and one on the right, both wearing light-colored long-sleeved shirts. The sign is positioned in the center of the frame. The background shows a room with shelves, a patterned wall, and a string of small blue and white decorations hanging from the ceiling. The text on the sign is arranged in four lines, reading "NO NEWS IS GOOD NEWS".

**NO
NEWS
IS
GOOD
NEWS**

Gossip is idle talk or rumour about the personal or private affairs of others. It is one of the oldest and most common means of sharing facts and views, but also has a reputation for the introduction of errors and variations into the information transmitted

Gossiping in mass media

Gossiping in mass media

- Social networks
- «Yellow press»

gos·sip \ 'gä-səp\ *noun* :
a person who will never
tell a lie if the truth will
do more damage

Difference between gossip and news

News give people information

Gossip tries to make damage to people's private life
