

Our impact

Lead your future: be a part of the pride

A small, colorful globe of the Earth is mounted on a wooden golf tee. The globe is positioned in the center of a lush green golf course, with a clear blue sky and blurred trees in the background. The text "What is impact for you?" is overlaid in large, bold, black font across the middle of the image.

What is impact for you?

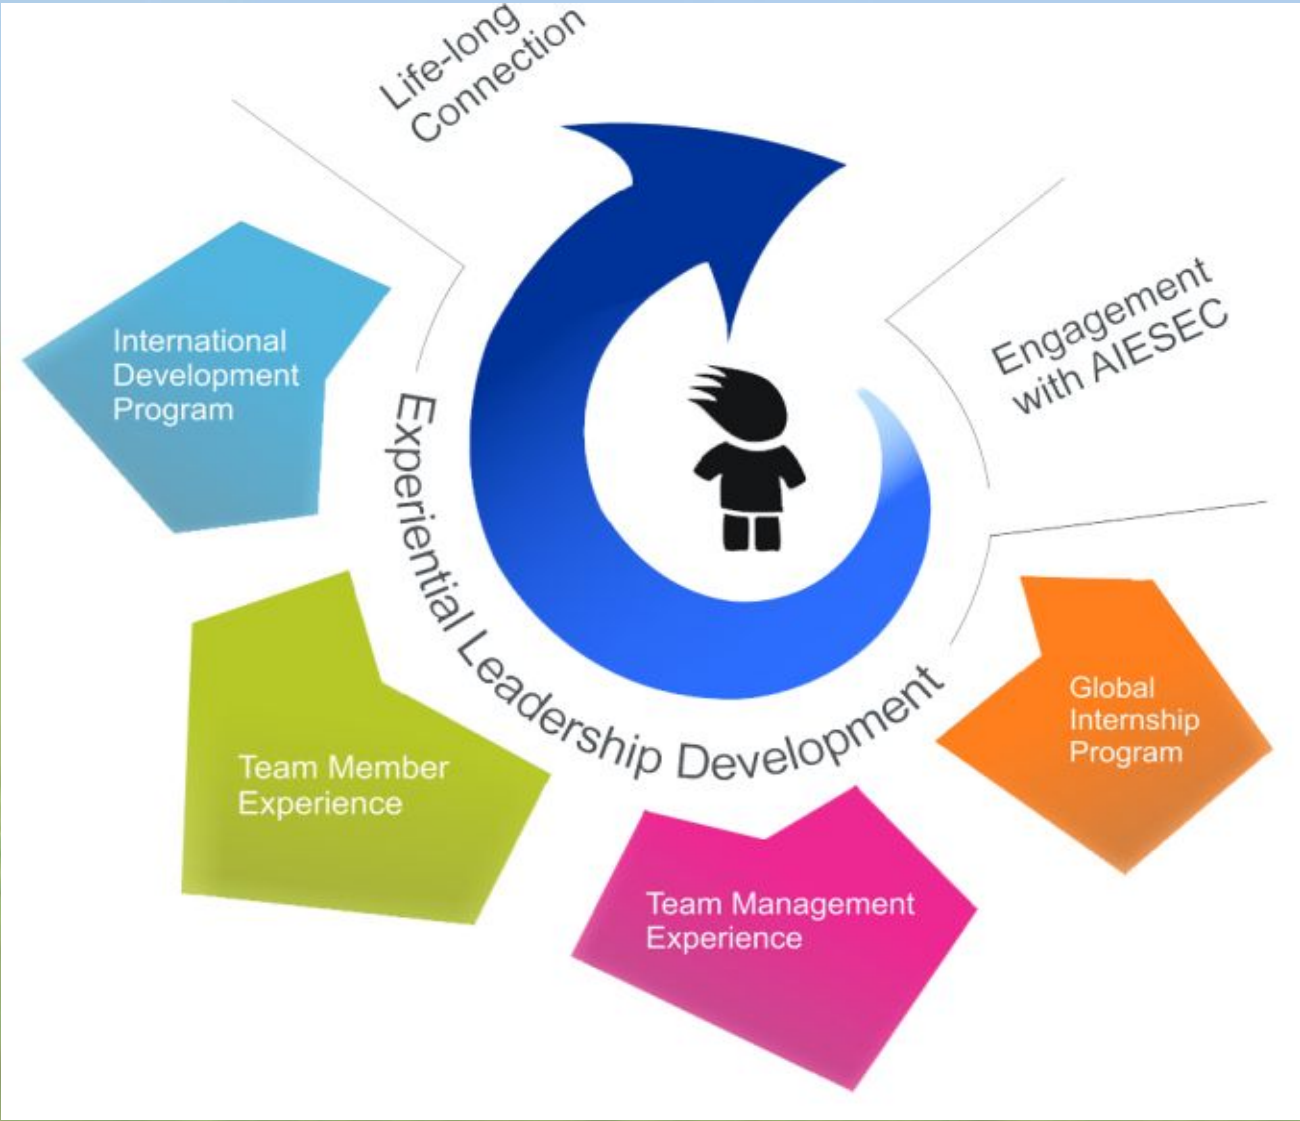

Lead your future: be a part of the pride

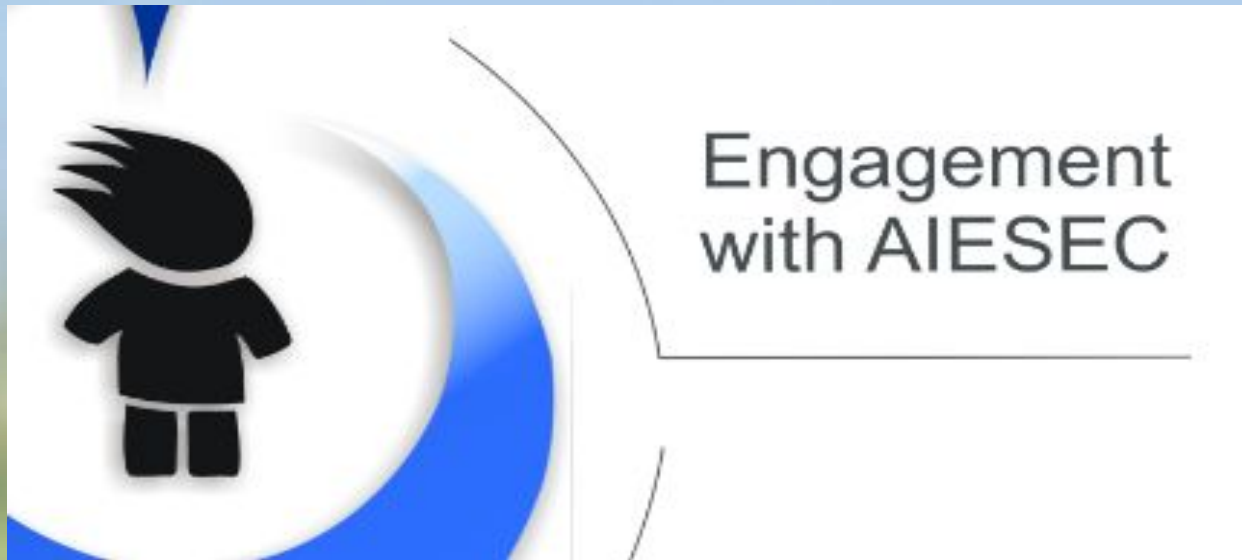

A small, colorful globe of the Earth is mounted on a wooden golf tee. The globe is positioned in the center of the frame, resting on a lush green lawn. The background is a soft-focus landscape with a clear blue sky and distant trees, suggesting a bright, sunny day. The text is overlaid on the image, centered horizontally and partially overlapping the globe.

**Have you ever made any
positive impact on society?**

Lead your future: be a part of the pride

ELD

In this phase the members is introduced to the world of AIESEC and the different programs they can be part off in order to gain an integrated international leadership experience. They will learn about the **WHY, HOW and WHAT** of AIESEC and it will empower them to pick their path/program to kick start the AIESEC XP.

The main programs of the organization are run here. We provide **team and international internship experiences**. This is the core service center where the members can learn and gain everything from the global leadership network of AIESEC.

Life-long
Connection

Life-long Connection: A life long connection will ensure the essence of **positive change** throughout an AIESEC members life. In this way, AIESEC presents each of its alumni a platform for continuous growth thus enabling them to make a constant positive impact on society.

And our programmes...

Global Community Development Programme

International internships are the most **intense learning experience** we offer and links together our **global network**. This program encompasses **cross-cultural positive impact** through entrepreneurial projects that lead to **self development and skill enhancement** of the member undertaking it.

GCDP programs

What is the value of this program for society/intern/AIESEC member?

Global Internship Programme

This programme offers internships that contribute to the **professional development** of a member and assist them to specialise in a certain field of work. They are normally long term in nature and involve working on **diverse business projects and organisations.**

GIP programs

What is the value of this program for society/intern/AIESEC member?

A small, colorful globe of the Earth is mounted on a wooden golf tee. The globe is positioned in the center of the frame, resting on a lush green lawn. The background is a soft-focus landscape with green grass and a clear blue sky, suggesting an outdoor setting like a golf course.

Lead your future: be a part of the pride

Team member Programme

Team Member programme: It is one of the most crucial ways in which you can start on your path towards **leadership development**. In this phase you will be introduced to a **practical team experience**, gain access to a **global network** and engage in **practical hard skills development**.

Team leader Programme

This experience will support your **personal** and **professional development** through the concept of **team building and management**. You get to experience of **directing other members** and guiding them in their work, thus becoming a crucial **part of their development**.
