

# Our school – the best school.

We would like to tell you about our school. We love our school and we want to share this love with you.

Pupils can enjoy the process of learning in such a comfortable bulding.

All classrooms of our school are light and spacious.

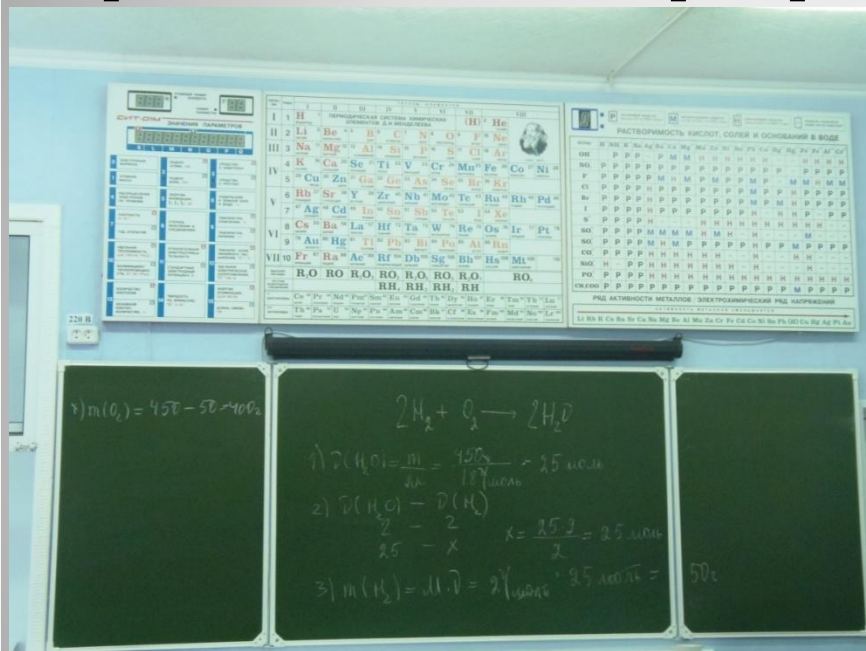

# Teachers

**Our teachers are very kind, helpful and supportive 😊**

We think, that the main thing about our school is teaching staff. Especially our form taught by 14 teachers. They are very kind, helpful and supportive. Teachers who work in our school are very good. Each of them teaches well and their lessons are quite interesting

# Our school is provided with up-to-date equipment

Students can watch some educational films during the lessons. All classrooms of our school are light and spacious. There are physics and chemistry labs where we can make experiments.

Food is the main part of a teenager's life!

Also, one of the main part of teenagers life is food. We love eating! There are many tasty dishes in our canteen.

# Our Library

Our school library is nice and clean. Two librarians help pupils to find books they need. There are many bookcases and bookshelves with a lot of books there. There is also a good library where you can find any book that you like. the most important thing in our lives - health.

# Good sport facilities

# Our Achievements

- Our school is famous for its pupils. Many pupils take part in different competitions and win prizes. Our school is famous for its pupils. Our pupils are very talented and creative. You can see their results at the board of honour.

# Friendly atmosphere

As you can see our school is a great place to study in. We are proud to be the pupils of 6 school.
