The principal parts

The Subject

The Predicate

# The Subject

- is the principal part of the sentence.
- is grammatically not dependent on the other parts of the sentence.
- can denote a living being, a lifeless thing, an idea, or a phenomenon.
- may be expressed by a single word or a group of words:
  - 1) a (pro)noun, a substantivized adjective or participle II

She (Jennie) is very beautiful.

The wounded were taken good care of.

- 2) a numeral (cardinal or ordinal), an infinitive, an infinitive phrase or construction, an ing-form

The first is his number in races.

To know everything is to know nothing.

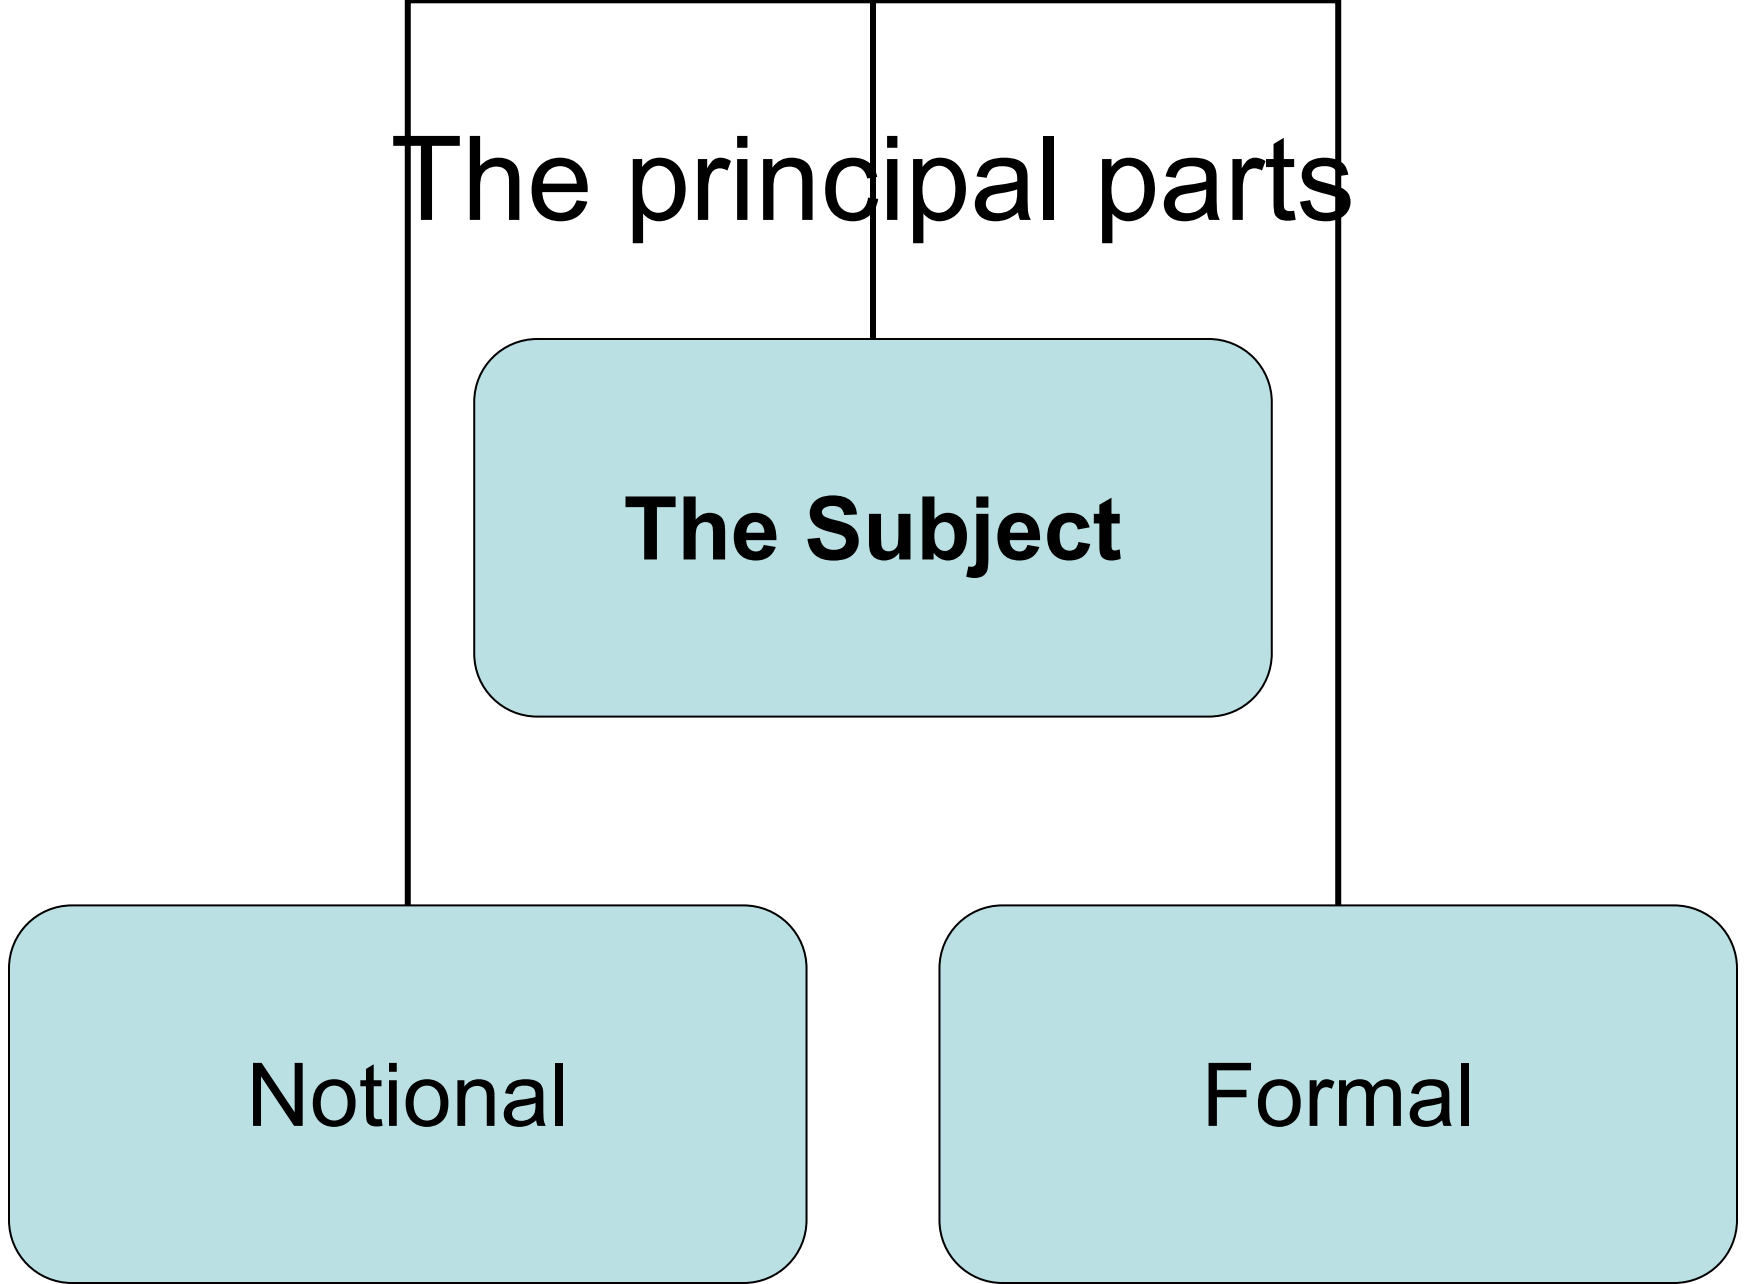

Seeing is believing.

# The principal parts

**The Subject**

Notional

Formal

# *It* as the subject of the sentence

- **A notional subject**

*represents a living being or a thing*

- 1) *The personal 'It'*
- 2) *The demonstrative 'It'*

- **A formal subject**

*performs purely a grammatical function*

- 1) *The impersonal 'It'*
- 2) *The introductory (anticipatory) 'It'*
- 3) *The emphatic 'It'*

# *It* as a notional subject of the sentence

## 1) *The personal 'It'*

- stands for a definite thing or some abstract idea previously mentioned

*This is a famous picture. It was painted by John Constable.*

## 2) *The demonstrative 'It'*

- points out some person or a thing expressed by a predicative noun

*It is John.*

- refers to the thought contained in a previous statement

# *It* as a formal subject of the sentence

*The impersonal 'It'* is used to denote:

- ✓ **a natural phenomenon** (to talk about the weather):

It's rainy today.

- ✓ **time & distance:**

It's a long way from here.

- ✓ **a description of a place:**

It was calm and beautiful up in the mountains.

- ✓ **to introduce an action:**

It's going to take five hours to get there.

- ✓ **to comment on a fact:**

It was surprising that a few people came to the show.

# *It* as a formal subject of the sentence

*The introductory (anticipatory) 'It'* introduces the real subject.

- It is no use lying to me. I know the truth.
- It's impossible to find him.

# PRACTICE

Transform the following sentences:

- 1) His brother brought me that letter an hour ago.
- 2) Tom saw Jane in the park yesterday.
- 3) We couldn't get in touch with them until we found their new address.

# *It* as a formal subject of the sentence

*The emphatic 'It'* is used for emphasis when we want to intensify the idea expressed by any part of the sentence.

**1) I met his sister in he park.**

→It was *I* who/that met his sister in he park.

→It was *his sister* whom/that I met in he park.

→It was *in the park* that I met his sister.

**2) I told him the news after he had returned from London.**

It was *after he had returned from London* that I told him the news.

**3) She didn't learn the truth until she returned home.**

It was not *until she returned home* that she learned the truth.

**4) We didn't receive a letter from them until May.**

It was not *until May* that we received a letter from them.

# PRACTICE

Translate the following sentences into Russian:

- 1) Именно он хотел, чтобы она стала актрисой.
- 2) Именно ей они были обязаны за все.
- 3) Только после того, как Джейн вернулась из Бристоля, она обнаружила пропажу.
- 4) Только спустя 10 лет мы наконец-то встретились с ними снова.
- 5) Домой они вернулись только в июне.
- 6) Мы повстречались именно в Мадриде.
- 7) Да пойми же ты, в той машине я видел именно Тома; я не могу ошибаться.

# The formal subject *There*

- to say that something exists;
- to mention the presence of smth.;
- to say that smth. has happened or will happen;
- with modal verbs to express possibility or probability;
- with the verbs '*to seem*', '*to appear*';
- to explain a problem.

**!** In the construction 'There + be' the predicate usu. agrees in number with the word that immediately follows it

# Other types of formal subjects

- ‘One’ as the subject is used when we think about the doer of the action in general, any person or people (including the speaker)
  - **One** should be careful when crossing the street.
  - **One** must always keep his word.
- ‘They’ as the subject is used when we think about people in general (not including the speaker); usu. followed by the verb ‘to say’
  - **They** say wonders sometimes happen.

# PRACTICE

Translate the following sentences into Russian:

- 1) В нашей квартире много мебели.
- 2) Именно он заставил меня поверить в себя.
- 3) В гостях хорошо, а дома лучше.
- 4) Пора идти спать! Завтра нам предстоит сдать самый сложный экзамен.
- 5) Сейчас почти 17.00. через 2 часа мы будем в Риме.
- 6) Нет розы без шипов.
- 7) Говорят, что наши возможности безграничны.
- 8) Только после того, как мама легла спать, мы смогли наконец-то начать подготовку к ее дню рождения.
- 9) Никогда не знаешь, что он сотворит в этот раз.
- 10) Знакомьтесь, это Майкл, он работает инженером в нашей компании.
- 11) Это недалеко отсюда. Странно, что за все время, что вы здесь бродите, вы не обнаружили этот дом.
- 12) Мы не могли связаться с ними, пока не узнали их новый адрес.
- 13) Похоже, что мы так никогда так и не узнаем правду.

# The Predicate

- informs us of what is happening to the Subject.
- may express an action, state, quality of the person, thing or phenomenon.
- is grammatically dependent on the Subject – agrees with it in person & number.
- contains a finite verb which may express *tense, mood, voice, aspect, etc.*

# The principal parts

**The  
Predicate**

The simple  
predicate

The  
compound  
predicate

Verbal  
(SVP)

Nominal\*  
(SNP)

Verbal  
(CVP)

Nominal  
(CNP)

# The Simple Verbal Predicate

- consists of only a notional verb (in any tense, aspect, voice or mood form)

I **have been waiting** for you for half an hour.

**Did** she **tell** him the truth?

- can also be expressed by phraseological units and set phrases treated as verb equivalents:

have a look

hold a glance

have a walk

make a remark

take a walk

pay a visit

give a smile, etc.

She **has given** him **a smile**.

have breakfast/lunch/dinner

take care of

make up one's mind

pay attention to

take part in

have a bath/shower

make sense, etc.

The **are having lunch** now.

# The Simple Nominal\* Predicate

is expressed by a noun, or an adjective, or a verbal.

It doesn't contain a link-verb, as it shows the incompatibility of the idea expressed by the subject and that expressed by the predicate.

- Me ***a liar!***
- She ***spying!***

# The Compound Nominal Predicate

- consists of a link-verb & a predicative

*be*

*become*

*get*

*grow*

*look*

*turn*

(=a nominal part) that may be expressed by a *noun*, an *adjective*, a *numeral*, a *pronoun*, an *infinitive*, an *ing-form*

The leaves ***are turning yellow.***

You ***look pale.***

He ***became a painter.***

# The Compound Verbal Predicate

consists of a finite form & a verbal or an adjective.

As the first component we can find:

**modal verbs & phrases**

**verbs of 1) seeming & appearing  
2) unexpected occurrence**

**some verbs of position & motion**

**phasal verbs**

# The Compound Verbal Predicate

- **modal verbs & phrases** (*can, may, must, have to, be to, shall, should, will, would, ought to, need, dare, be going to, be (cap)able, be willing, be anxious, be bound, be obliged, etc.*):

You ***should have done*** it.

Mary ***is going to have a baby***.

- **verbs of**

1) **seeming and appearing** (*seem, appear*):

Jack ***seemed to have heard*** the news.

For a moment she ***appeared to be hesitating***.

2) **unexpected occurrence** (*happen, turn out, chance, prove*):

They ***happened to meet*** in the park.

- **some verbs of position & motion:**

John ***sat reading*** a book.

Jill ***is out shopping***.

- **phasal verbs of beginning, repetition, duration & cessation:**

Fiona ***started attending*** lectures on Monday.

He ***gave up smoking***.

When a child, she ***used to ride*** a bicycle every day in the nearest park.

# PRACTICE

Find the predicate and characterize it:

- 1) The meeting will begin at 7p.m.
- 2) She began crying.
- 3) John didn't pay attention to the people around him.
- 4) It suddenly grew dark.
- 5) On hearing these words her face turned pale.
- 6) She can't be sleeping now.
- 7) Mr. Atkinson is dining at the moment.
- 8) He never takes part in talk-shows.
- 9) I am to speak last at the meeting.
- 10) When a child, I used to ride my bicycle all days long.
- 11) You're not allowed to come in.
- 12) I've just told you that.
- 13) She was the first to start speaking.
- 14) I'm willing to have a talk with him!
- 15) I'm not going to wake him up, he's just fallen asleep.

# Subject-Predicate Agreement
