

“The difference between British and American versions of the English language “

Personal Project

Name

Shuplyakova Ekaterina

9 «A» grade

Education Centre Gamma

Supervisor

Drozdova Elena Valentinovna

Aim

- My project is devoted to difference of the English language
- The main aim is to make an additional material for English lessons (a lesson-presentation and a book)

The reason why I choose this project

I choose this project because I`m fond of the English language and our school program does not envisage the American variant, so this theme is interesting for me. And in my future life I want to live in the USA.
