Reported Speech

t

We use the Reported speech:

- When we are telling someone what another person said or thought, but do not use their exact words.

For example

Mark **said that he wanted** to live in London.

Please, note that:

- Quotation marks are not used in reported speech.
- Verb tenses, pronouns and some "time" and "place" words may change because the time, place and speaker may be different.
- When we report a statement, we use reported verbs such as say, tell, explain, inform, answer, decide, etc. often followed by that.

t

- In reported -wh questions, we use the wh- word + the subject + the verb.

- We do not use the interrogative form of the verb - do does or did.

As it is an indirect question no question marks are used

- When we report requests, orders, advice or warnings we use verbs such as advice, ask, beg, tell, order, etc, followed by an infinitive.
