***The Mississippi River is divided
into:***

- ◆ The Upper Mississippi
- ◆ The Middle Mississippi
- ◆ The Lower Mississippi

The Upper Mississippi

The Upper Mississippi is divided into:

- ◆ The headwaters, from the source to Saint Anthony Falls in Minneapolis, Minnesota
- ◆ A navigable channel, formed by a series of man-made lakes between Minneapolis and St. Louis, Missouri

The Coon Rapids Dam

The Middle Mississippi

The Lower Mississippi

Watershed

The Mississippi River has the world's fourth largest ***drainage basin*** («watershed» or «catchment»)
