

The Title of my project is
«Welcome to Russia!»

**Made By Kireev Sasha
8 class.**

My native country is Russia!

It is the largest country in the world. Russia spans eleven time zone and two continents. Has a lot of seas

The capital of Russia is Moscow. Moscow there are a lot of sights: for example Kremlin. The tower was built in 1491 by an Italian architect Pietro Solario. This historical fortified complex is situated at the heart of Moscow and overlooks the Moskva River and Red Square

The population in my country is about 150 million people. It should be remembered that not only Russians live in my country, but many other nations. Russia is a beautiful country with great opportunities.

We have a lot of beautiful and clean cities. The cities that one should definitely visit include Moscow , Saint-Petersburg, Kazan, Yekaterinburg, Sochi, Rostov on don, and of course Golden Ring. All cities have an ancient culture and history.

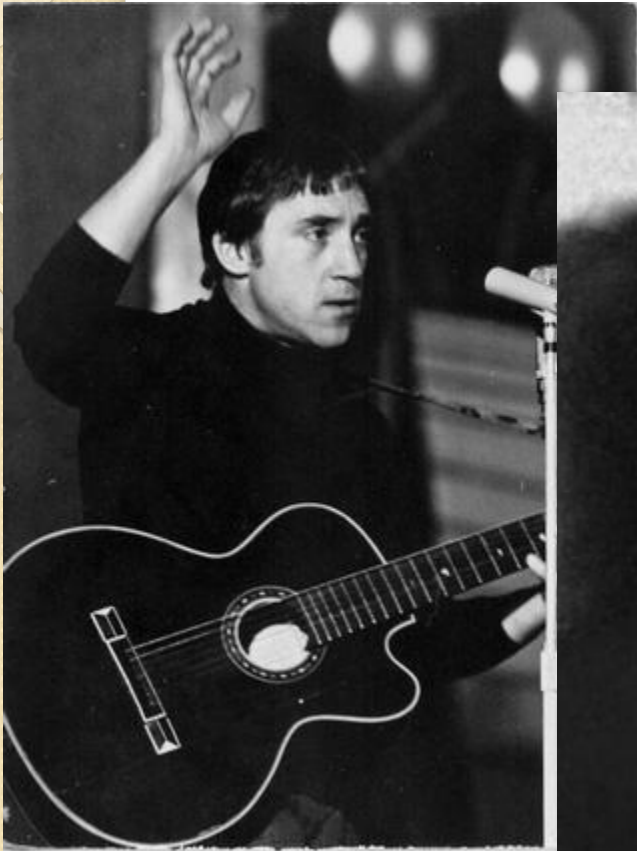

Tourists from different countries come to admire our ancient places, museums, cathedrals and churches. Every Year millions of tourist visit Russia. First of all is the largest country in the world. Secondly it is full of historical, architectural and natural wonders.

When people think of Russia, they think of their traditions. For example, combustion of a doll-bonfire on Maslenitsa, a fortune-telling on Christmas and preparation of an Easter cake.

Also Russia is popular for "Russian tracery". Matryoska, bear and balalaika is the Russian symbols. When foreigners speak about Russia it comes to mind, these symbols

We are very proud of our famous people. For example ,Vysotsky, Bulgakov,Gagarin..

Russian people are believed to be hospitable, generous and our country is known as surprising and interesting!!! All the tourists want to visit Russia. I am proud that I live in Russia.
