

**Would you rather...**

Would you rather be a  
dwarf in a country of  
giants or a giant in a  
country of dwarfs?

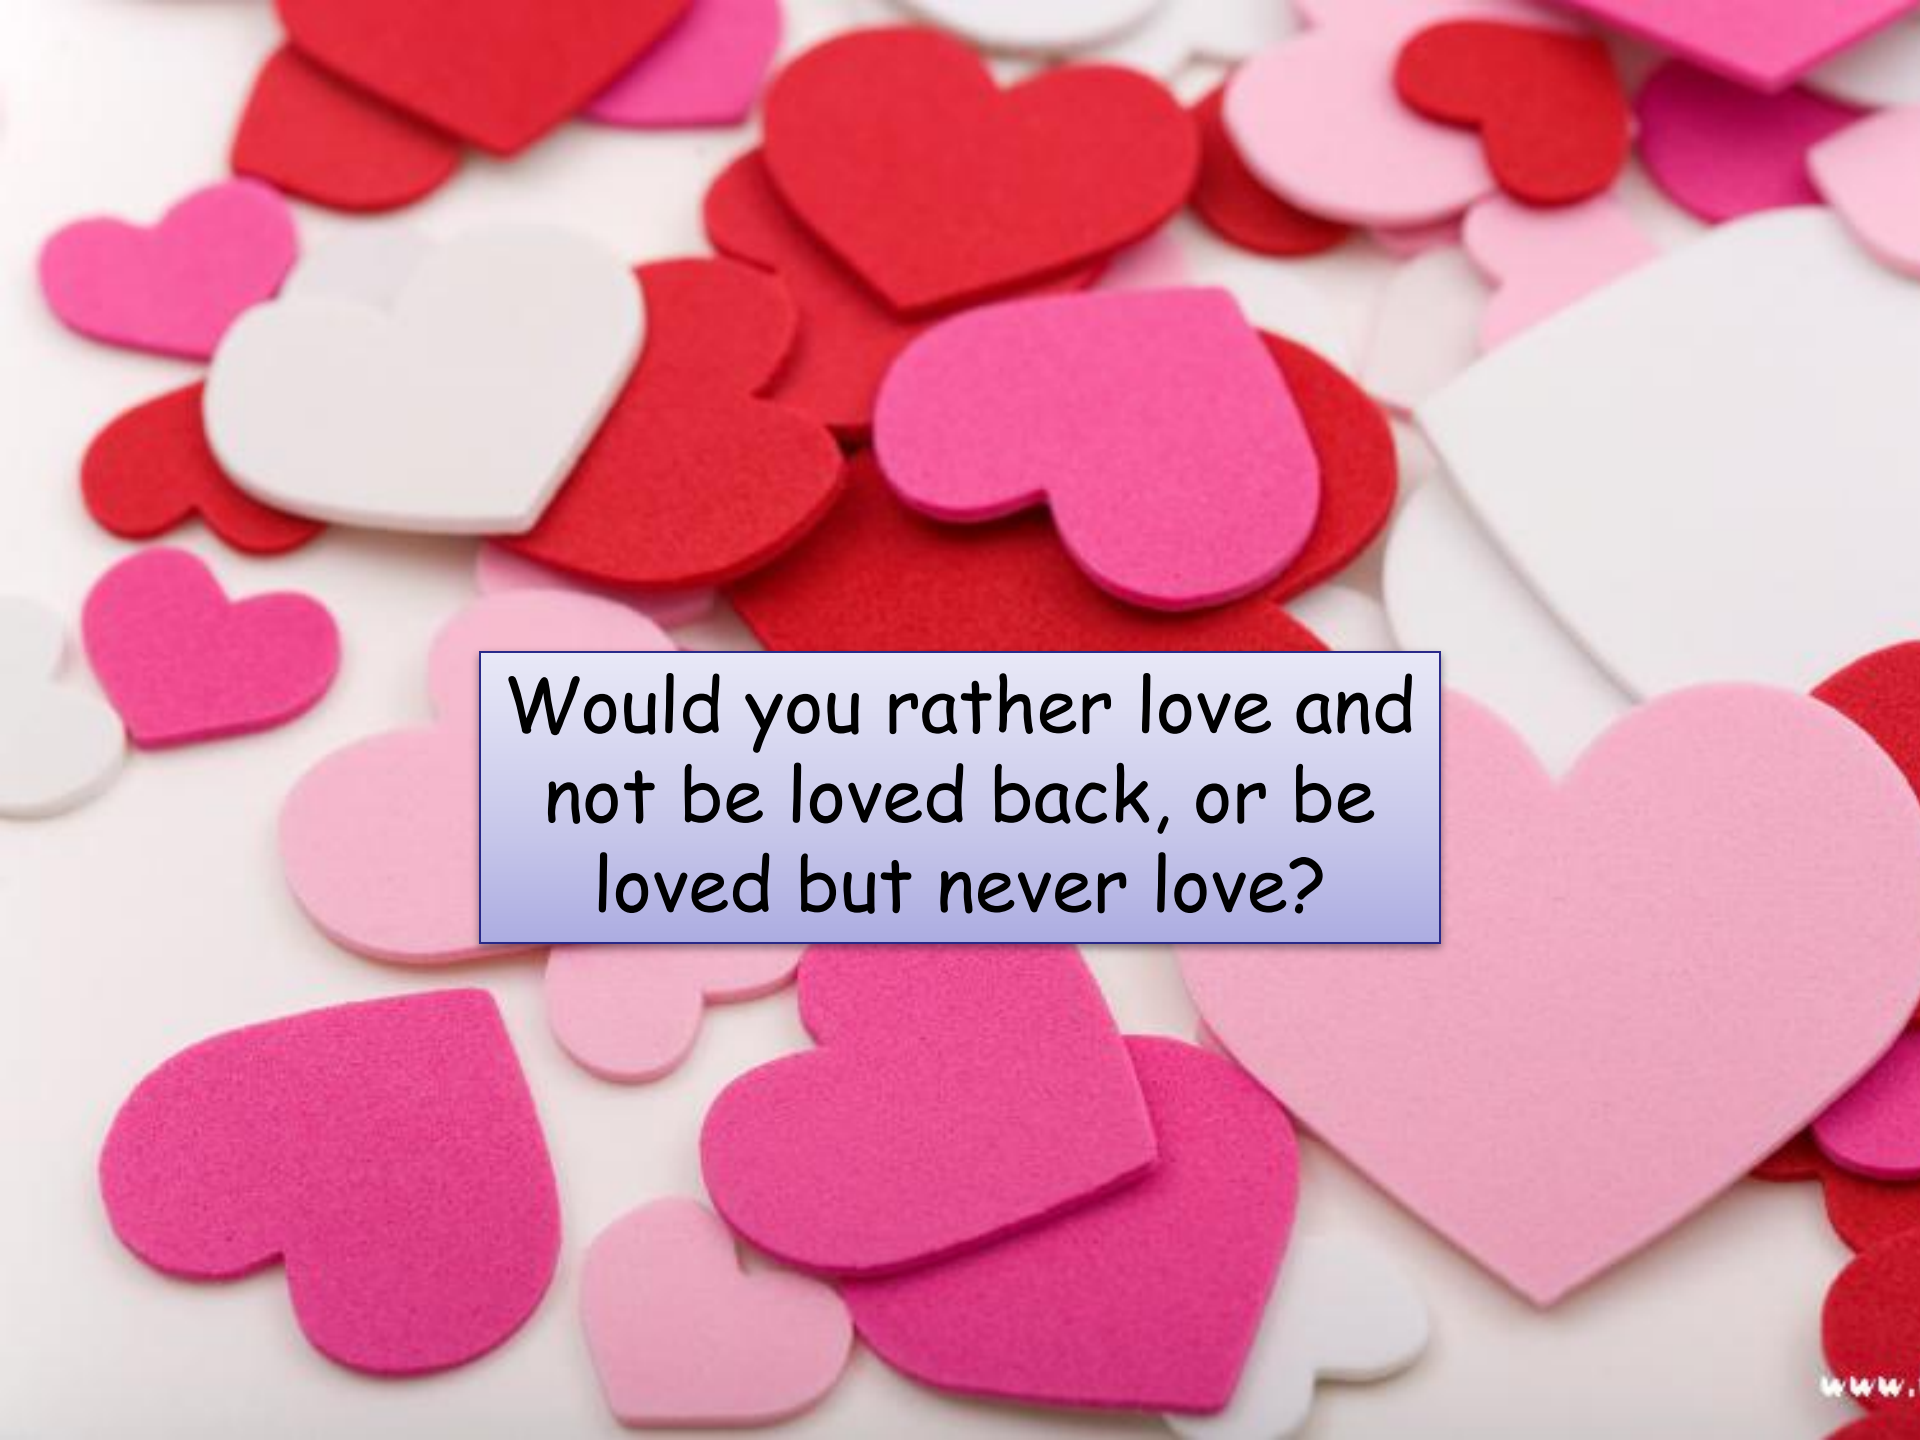

Would you rather find  
true love or 10 million  
dollars?

Would you rather be rich  
and ugly, or poor and good  
looking?

Would you rather love and  
not be loved back, or be  
loved but never love?

Would you rather be  
king/or queen of the  
universe for one year or  
get what you want for one  
year?

Would you rather be the  
slimmest or the fattest  
person in the world?

Would you rather be born  
with an elephant trunk or  
a giraffe neck?

Would you rather give up  
your computer forever or  
TV forever?

Would you rather be a  
giant hamster or a tiny  
rhino?

Would you rather be able  
to stop time or fly?

Would you rather be a  
child forever or an adult?

Would you rather have a  
third leg or a third arm?
