

My Kitten

- I have a kitten. His name is Sergik. He is grey. His ears are so funny! Sometimes they stay in a funny manner, but sometimes they hang like an elephant. His paws are soft and his tail always stays. He purrs very dearly.

Sergik likes to play ...

- . Sergik likes to play with mice. He likes dainties very much. He fondles on me after its eating.

One day ...

- One day Sergik went for a walk and had a real adventure. He climbed up the tree. He was going to catch a sparrow, but he fell down. He was frightened and climbed up the tree again. Then he sat on the tree for a long time, because he was afraid to fall again. He didn't watch sparrows. In the evening Sergik wanted to eat and he came home.

Sergik is the best kitten in the world.

- My kitten likes to sleep very much. He finds soft place and lies down there. Only his nose sticks out. To my mind, my Sergik is the best kitten in the world.
