

2014

BEST SPORTS CARS

Jaws drop every time a sports car passes by, whether it's vintage or not.

Spray painting,

design or features,

no matter what makes a
sports car attractive in the
eyes of enthusiast

one thing is for sure sports cars
will never be out of style.

Here are the 10
sports cars for the year
2014.

Chevrolet Corvette Stingray

Chevrolet Corvette Stingray

This one doesn't just look fresh, modern and aggressive but it also equipped with 6.2 V-8 455hp engine, 4-wheel anti-lock brakes (ABS), 18" aluminum wheels, 7-speed manual transmission with overdrive, active handling electronic stability, side seat mounted airbags, automatic air conditioning, and 6 way power driver seat.

Jaguar F-TYPE

Jaguar F-TYPE

Aside from the already famous name, the F-TYPE made sure that the performance lives up to the reputation as well. It's 3.0L V-6 340hp engine intercooled supercharger, integrated navigation system, and 8-speed automatic transmission with overdrive and more, the cat definitely gets its scratch back.

Porsche Cayman

Porsche Cayman

Trying to improve something that's already successful is risky, but the Porsche Cayman managed to up its game without damaging its greatness. They did it with 3.4L H-6 325hp engine, 6-speed manual transmission with overdrive, curtain 1st row overhead airbag, 19" aluminum wheels, ABS and driveline traction control and an electronic stability.

Mercedes-Benz C-Class

Mercedes-Benz C-Class

If being an eye catching c-class isn't enough for you to admire this chiseled ride, then its features will render you speechless. AMG 6.2L V-8 451hp engine, 7-speed automatic transmission with overdrive, 4-wheel anti-lock brakes (ABS), 9 airbags (including one for the driver's knee and two for the backseat passengers), 18" AMG aluminum wheels, ABS and driveline traction control, and electronic stability.

Audi RS 7

Audi RS 7

This Audi may not look like your usual evocative body sports car but it is definitely the perfect definition of an everyday supercar considering its 4.0L V-8 560hp engine twin turbo, 8-speed automatic transmission with overdrive and integrated navigation system. Not to forget the 20" forged aluminum wheels, airbags on the side seats, 1st and 2nd row overhead, driver and passenger knees, ABS and driveline traction control, 4-wheel anti-lock brakes and cruise control.

Ford Shelby GT 500

Ford Shelby GT 500

How does a sports car made of pure American muscle, takes precision and efficiency to the next level? The answer is the GT500's 5.8L V-8 662hp engine intercooled supercharger, 6-speed manual transmission with overdrive, airbags on the side seat, driver and passenger side, 4-wheel anti-lock brakes (ABS), airbag occupancy sensor, air conditioning, 19" forged aluminum wheels, cruise control, ABS and driveline traction control, and electronic stability.

Cadillac CTS-V

Cadillac CTS-V

The head turning exterior of the Cadillac CTS-V is more than meets the eye because its features complements it well, from the 6.2L V-8 556hp engine intercooled supercharger, 6-speed manual transmission with overdrive, 4-wheel anti-lock brakes (ABS), to the integrated navigation system, air bags on the side seat, 1st and 2nd row overhead, airbag occupancy sensor, automatic air conditioning, 19" aluminum wheels, cruise control and an ABS and driveline traction control.

Subaru BRZ

Subaru BRZ

Subaru BRZ may have the classic sports car look but the features are definitely far from old school. Starting from the 2.0L H-4 200hp engine, 6-speed manual transmission with overdrive, 17" aluminum wheels, ABS and driveline traction control, cruise control, it is also equipped with 4-wheel anti-lock brakes (ABS), air conditioning, airbag occupancy sensor and airbags on the side seat, 1st and 2nd row overhead, and integrated navigation system.

BMW M6 Gran Coupe

BMW M6 Gran Coupe

You may have to spend a little more on this one compared to M5 but it'll feel adequate once you experience how its features made it an amazing drive. Especially its 4.4L V-8 560hp engine twin turbo, 7 speed auto-shift manual transmission with overdrive.

Mercedes-Benz SLS AMG

Mercedes-Benz SLS AMG

Who wouldn't feel intimidated with the elegant gullwing doors of this one? But your knees will shake a little more with nervousness and excitement once you get on this AMG 6.2L V-8 583hp engine, 7-speed auto-shift manual transmission with overdrive monster.

Thank you for watching!
