An aerial photograph of a massive glacier flowing through a mountain valley. The glacier is a mix of white and grey, with visible longitudinal stripes of sediment. It terminates in a large, greyish lake filled with icebergs. The surrounding mountains are rugged and partially covered in green forest. The text "ЛЕДНИКИ ТАЮТ" is overlaid in the center in a bold, white, sans-serif font.

A group of diverse people, including men and women of various ethnicities, are gathered in a modern building atrium. They are holding a long white banner that spans across the width of the frame. The banner features the text "survival is not negotiable" in a bold, black, sans-serif font. The word "survival" is in a smaller, lowercase font, while "is not negotiable" is in a larger, uppercase font. The background shows a large, open space with a high ceiling, a large tree, and several green leaf-shaped decorations hanging from the ceiling. The floor is made of light-colored stone tiles.

ABOUT DAY OF ACTION SPREAD THE WORD PEOPLE

Dear World,
This is an invitation to help build a movement—to take one day and use it to stop the climate crisis.

We are a group of people from around the planet—young and old, scientists and writers and activists—who have one thing in common. We know the most important number on earth: 350. And we know how to use that number to finally get global action on the worst crisis humans have ever faced.

But we can only do it if you help.
