[Apple creates 'explicit' category for App Store software](#)
Apple Insider - [Katie Marsal](#) - 29 minutes ago
Though it is not yet in use, Apple has added a category for developers to label their applications as "explicit" software in the App Store for the iPhone and iPod touch. A developer revealed to Cult of Mac that the new category is ...

[Apple targets 'objectionable' apps, leaves Playboy, SI in App Store](#)
Computerworld - [Matt Hamblen](#) - 26 minutes ago
Computerworld - Apple Inc. recently pulled thousands of sex-tinged applications from its App Store for containing "objectionable content" but has quickly come under fire for being hypocritical by retaining some other apps from ...

[Could Apple's App Scrutiny Drive Developers To Droid?](#)
Atlantic Online - [Daniel Indiviglio](#) - 1 hour ago
Last week, Apple decided to remove any applications it viewed as overtly sexual from its iPhone app store. This is not the first time Apple has denied developers' apps purely at its discretion. In fact, it's exercised its right to do so on numerous ...

[App Store Adds Explicit Category for iPhone Apps](#)
The Mac Observer - [Jeff Gamet](#) - 1 hour ago
Apple seems to be working on refining its process for dealing with iPhone and iPod touch apps that contain sexual content that's a little less heavy handed than simply removing potential offenders from the App Store. The new approach includes adding a ...

[Apple Bans Thousands of Risque iPhone Apps](#)
Brighthand - [Ed Hardy](#) - 31 minutes ago
In the last few days, Apple has removed around 5000 applications from the iPhone App Store because they were judged to be too sexual in nature. This has set off a backlash of complaints, as all of this software had been previously approved. ...

[Apple: Stock in the Clouds, One Toe Still in the Gutter](#)
TechNewsWorld - [Richard Adhikari](#) - 4 hours ago
As always, the story of Apple this week is a story of control. The iPhone has been experiencing a few new freedoms on AT&T's network lately. Larger downloads and more data-intensive apps are slowly being allowed. ...

1. [Подробности](#)

... Новый президент еще не прошел через процедуру инаугурации, но уже готов править. На днях Виктор Янукович пообещал стране "Коалицию стабильности и реформ" и одного из трех премьеров на выбор. Вопрос "Кто именно придет к власти?" актуален сейчас, как никогда.

На манеже все те же?
