3. What is the human being?
4. What happen to a person at death?
5. Why it is possible to know anything at all?
6. How do we know what is right and wrong?
7. What is the meaning of human history?

# What is prime reality – the really real?

## Какова первичная реальность?

Christian Theism	Deism	Naturalism	Nihilism (zero point)	Existentialism	Eastern Pantheistic Monism	Postmodernism
God is infinite and personal (true), transcendent and immanent, omniscient, sovereign and good.	A transcendent God, as first Cause, created the universe but then left it.	Matter	Denial (negation) of everything	The cosmos is composed solely of matter, but to human being reality appears in two forms – subjective and objective.	Atman is Brahman; that is, the soul of each and every being is the Soul of the cosmos.	Don't know
