RealClearWorld - Russia Quietly Tries to Rebuild the Union
www.realclearworld.com/
The collapse of the Soviet Union in 1991 reversed a process that had been under way since the Russian Empire's emergence in the 17th century. It was ultimately to incorporate four general elements: Eastern Europe, Central ...

Russia's LUKOIL starts Iraq drilling — RT
By RT
Russia's oil major LUKOIL has started drilling operations at the West Qurna-2 oil field near the Iraqi port of Basra. The company targets 150000 barrels daily production in 2013 to recover costs of the project.

Great Gaming Russia in Central Asia | The National Interest Blog
By Malou Innocent
For the sake of Afghanistan, U.S. officials routinely invoke the importance of nurturing economic growth across South and Central Asia. But when it comes to advancing policies meant to increase regional trade, Washington has shown little ...

Off to Iranian Embassy in #yerevan #armenia
about 6 hours ago from txt
Many of the protesters were careful not to have their faces photographed out of fear of later retribution and either wore masks or hid behind some of the posters they were displaying. Some, however, did not. The protesters were eventually requested to leave by police in clear violation of the law on rallies, but said they would continue after applying for official permission.
