Guca Brass Festival

Guca Brass Festival

8 - 14. August 2011.
Guca, Serbia

Dragacevo's brass bands festival in Guca is a unique competition of folk brass bands in the world and one of the most important events of the overall national creativity and cultural amateurism in Serbia. The first Festival was held in the churchyard of St. Archangel Gabriel's Church in Guca, on the 14th October 1961. Through the qualifying rounds in areas of eastern, western, southern and central Serbia and Vojvodina pass hundreds of bands, and about forty of them have the possibility to participate on final competition of brass bands in Guca.

Partners

Welcome to the European Rural Tourism Development web site....

What is ERTD

ERTD is a collaborative partnership between 13 training institutions and public agencies drawn from 5 countries across Europe. The project is supported by the European Union through the Leonardo da Vinci programme, aimed at improving vocational education systems of Europe.

Aim

The aim of the project is to develop and pilot new learning materials and a new rural tourism development which will be delivered on-line to course participants via a virtual campus. The programme will incorporate a variety of learning tasks including research, design and promotion of new rural tourism itineraries incorporating field studies to facilitate the learning process. The learning programmes will ensure that the knowledge of participants meet the needs of the rural tourism sector and new opportunities for employment within it.

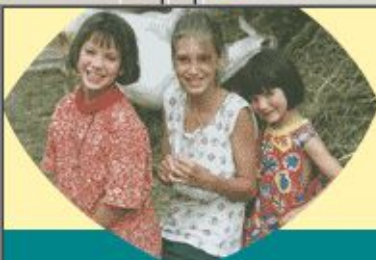

Target Group

The new learning programme developed within this pilot initiative is aimed at the following groups of participants

- * Those owner/managers and employees involved in rural tourism activities, eg bed & breakfast, self catering holidays, agro-tourism
- * Young people training in Leisure and Tourism
- * Those people seeking to set up business within the rural tourism sector including the unemployed and those wishing to change direction

Primary Outcomes of the Project

- * New learning programmes, course materials, to meet the needs of rural tourism enterprises which will be piloted, tested and evaluated across parts of European countries
- * The new courses will be developed using e-learning methodologies and will lead to a 'European' accreditation and certification offering participants recognition of the skills and competencies acquired. Certification will be secured in the following
 - * Management in Rural Tourism
 - * Development of Rural Tourist Attractions

How To Join

RTI

Welcome to the web site of the Rural Tourism International - Training Network

Rural Tourism International - Training Network (RTI-TN) is an association of trainers and training organizations in rural tourism. It is established in 2005. Together we aim to create quality rural tourism training in Europe.

We have a curriculum consisting of 10 themes and training materials according this curriculum. RTI-TN is the legal body to give out certificates for our courses, training institutes can be accredited by our accreditation body. Members of RTI-TN can download the curriculum and the courses at the button "European Standards".

«Можно» и «Нельзя»

- Уважайте личную жизнь людей, живущих в деревнях.
- Уважайте правила и культурные традиции, принятые в местном сообществе (сакральные территории)
- Уважайте коренные малочисленные народности, посмотрите на мир их глазами
- Пользуйтесь местным транспортом, кушайте в местных кафе, живите в местных частных гостиницах – поддержите местный бизнес!

Оценка потенциала для развития туризма в деревне

- В деревне должна быть хотя бы два объекта, привлекательных для туристов
- Работа в сфере туризма – это должно быть добровольное желание местных жителей
- В деревне должна быть адекватная инфраструктура (транспорт, вода, электричество, комнаты для проживания)
- Популярность места будет зависеть от его доступности для посещения

«+» И «-»

- **Возможность для местных жителей заработать, предоставляя услуги по проживанию и прочие. Особенно важно для удаленных горных регионов.**
- **Возможность для людей заработать на изготовлении сувениров, а также это способствует сохранению местных традиционных промыслов**

«+» И «-»

- **Сельский туризм – не панацея от кризиса аграрных регионов, а всего лишь дополнительный ресурс заработка местных жителей**
- **Развитие инфраструктуры на сакральных территориях не всегда благо для сакральных территорий. И здесь полезно помнить о том, что человеческая деятельность может быть смертельна для природы. ВСЕГДА НАДО ПОМНИТЬ ОБ ЭТОМ!**
