A white paper boat is shown floating in shallow, rippling water. The boat is a simple, folded paper design with a pointed prow and a flat deck. The word "BECHA" is printed in a black, serif font on the side of the boat. The water is a light brownish-grey color, and the background is a blurred, darker grey, suggesting a beach or a body of water. The lighting is soft, creating gentle shadows on the boat's folds.
