

**И это время  
называется  
весна ...**

A white paper boat is shown floating in shallow, rippling water. The boat is a simple, folded paper design with a pointed prow and a flat deck. The word "BECHA" is printed in a black, serif font on the side of the boat. The water is a light brownish-grey color, and the background is a blurred, overcast sky. The overall mood is somber and contemplative.

*BECHA*
