Guess the song!

In the town where I was born
Lived a man who sailed to sea
And he told us of his life

So we sailed up to the sun
Till we found the sea of green
And we lived beneath the waves

And our friends are all on board
Many more of them live next door
And the band begins to play

As we live a life of ease
Everyone of us has all we need
Sky of blue and sea of green

Part 3.

Guess the song!

I've been cheated by you since I don't know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything, o-o-o-oh

I've been angry and sad about the things that you do
I can't count all the times that I've told you we're through
And when you go, when you slam the door
I think you know that you won't be away too long
You know that I'm not that strong.
Just one look and I can hear a bell ring
One more look and I forget everything, o-o-o-oh

Этап 3.

Guess the song!

A goddess on a mountain top
Was Burning like a silver flame
A summit of beauty and love
And Venus was her name.

Her weapons were her crystal eyes
Making every man mad,
Black as the dark night she was
Got what no one else had.
