

# Ко Дню Святого Валентина

В рамках ознакомления с культурой англоязычных стран была подготовлена презентация ко Дню Святого Валентина. В неё входит:

- рейтинг наиболее частых подарков, которые люди дарят друг другу в этот день;
- короткий тест, опирающийся, как на языковую догадку, так и на личный кругозор учащихся;
- материал, который полезно знать любому джентльмену.

Презентация создавалась для учащихся старших классов. В данном случае использовалась на заключительном этапе урока в 11 классе по материалам журнала Home English и Интернет ресурсов.

Составитель: учитель английского языка Родина Наталья Сергеевна.

The “car way” of telling how far the relationship is:

Trying to impress the woman : *he* unlocks and opens the door, waits for her to get inside, closes the door behind her.

Dating : *the guy* unlocks the door and then goes around to his side to get in.

Engaged : *the man* opens his door, leans over and unlocks her door and opens it.

Married : *the man* gets in to the driver’s seat, unlocks the doors, and says “ Aren’t you getting in?”
