

Тест

1) Укажите трапецию

2) Вычислите:  $38:2 + 1$

а) 1

Неверно

б) 17

в) 20

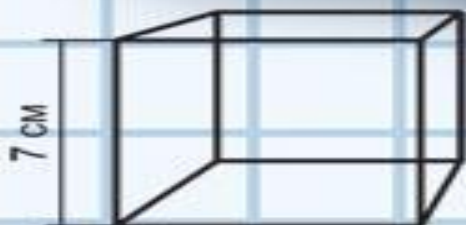

г) 19

Верно

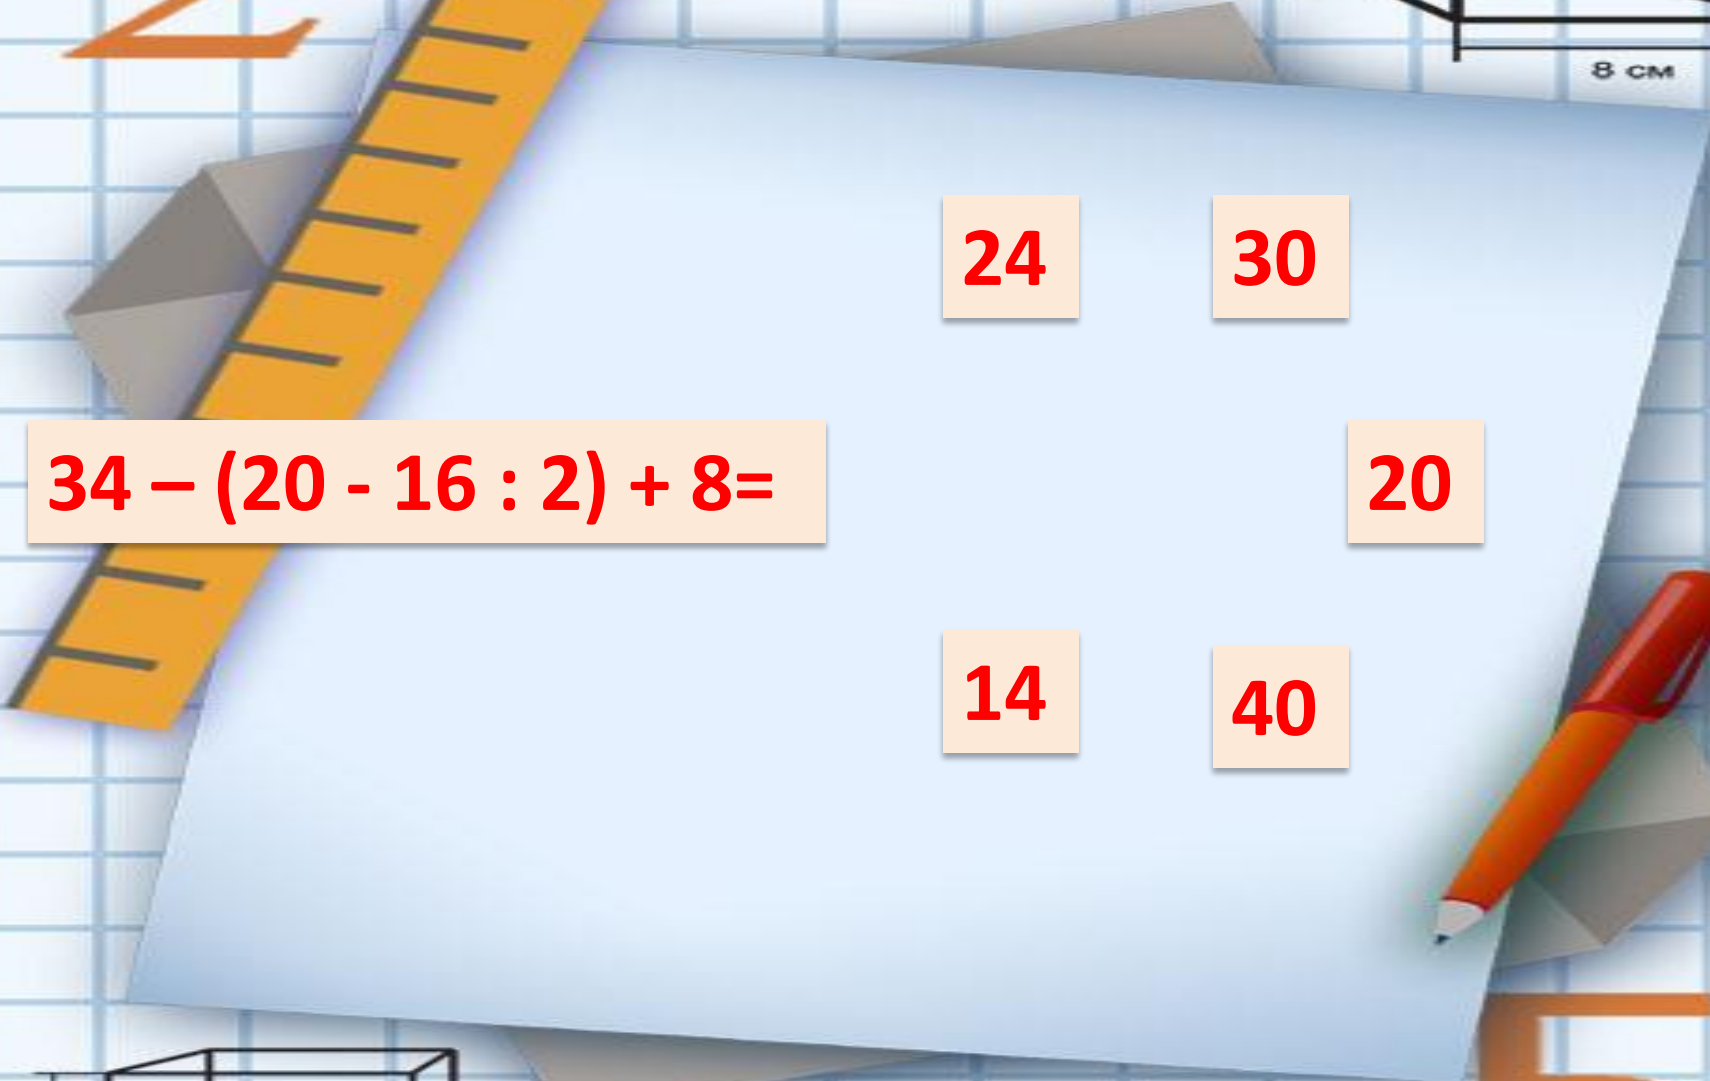

д) 19

Неверно

е) 19

2

$34 - (20 - 16 : 2) + 8 =$

$$1,2 : 0,2$$

$$1,8 - 1,2$$

$$1,2 + 4$$

$$1,2 - 0,2$$

$$0,2 : 1,2$$

$$1,2 + 0,2$$

$$5,2 : 13$$

$$3,7 + 2,14$$

The background features a blue-toned grid with various mathematical elements. At the top, there are several equations:  $45 = x - y(t + b)$ ,  $23 + 34(45 - 36)$ ,  $(6) = 34 - 7 + 232$ ,  $-12 + 15 = x - y$ , and  $(t + b)123 + 34(45 - 36)$ . A large, bold equation  $b = a + c$  is prominently displayed in the upper right. In the center, there is a coordinate system with a vertical y-axis and a horizontal x-axis. The word "Математика" is written across the middle in a large, white, outlined font. The number "3" is written in a large, white, cursive font in the bottom left corner. The overall theme is mathematics and algebra.

# Математика

*Здравствуй,  
школя!*
