Stark överenskommelse om Libyen

08 juni 2011

STOCKHOLM: För någon timma sedan hade jag presskonferens tillsammans med Urban Ahlin från socialdemokraterna och Åsa Romson från miljöpartiet och presenterade den överenskommelse vi just träffat om de fortsatta svenska militära insatserna i Libyen.

Samtidigt kunde försvarsminister Sten Tolgfors i Bryssel informera andra försvarsministrar i denna operation om Sveriges fortsatta bidrag.

Arbetet fram till uppgörelsen har därmed kunnat fullfölja den tidtabell vi hade lagt upp.

Det är en stark uppgörelse såväl i sak som i sin politiska bredd.

Och den visar att Sverige är en nation som har viljan och förmågan att ta ansvar också i krävande internationella situationer.

Kylee Paterson hey Mel can they put those two periods together for example six days off in a row then single days in the rest of the roster?

November 24 at 1:34pm · Comment · Like · Report

Melissa Coudret hey guys just something that you should be checking on the rosters, as per clause 7.13.2 our days off must include 1 period of 3 consecutive days and 1 period of 2 consecutive days, I have just had some days off changed because of this so double check that you have this.
