## Хэллоуин 2008

В рамках развития социо-культурной компетенции учащихся мы знакомим наших учеников с праздниками англоязычных стран. Каждый год в нашей гимназии ставятся рождественские постановки, 14 февраля, в день Святого Валентина – дискотека для старшеклассников, а 31 октября у нас по традиции проводится день Хэллоуин.

Несколько слов о том, как проходил этот день в этом году. Группы 8-ых классов готовили представление “Trick or Treat”. В костюмах, с весёлой песней и стихами они заходили в классы и разыгрывали маленький спектакль, за что получали угощение.

9-ые классы писали лимерики-страшилки.

10 А класс писал рассказ по опоре.

В 11 классе проводился конкурс на лучший рассказ, уже без опоры. Из лучших рассказов был создан коллаж.

10 Б отвечал за комнату страха. Комната страха работала 2 урока и перемену. На перемене могли прийти все желающие, а на уроках детей приводили организованно ребята в маскарадных костюмах.

Детям очень понравилось, не было никакого насилия, день прошёл празднично и весело.
