## Весь мир моды!

Beauty, creative work and new ideas are reflected in each collection of all great designers. Ideas from the capitals of the world fashion inspire our life and the content of the magazine **“Burda”**.

**“Burda”** is a bridge between the designers’ creations and the present-day woman. Every month we offer our readers surveys and reports about fashion and beauty from all over the world. **“Burda”** brings forward the design and fashion to any taste, suggests pieces of advice and ideas for everybody, who has his own ideas and his own style. The selection of patterns is always rather wide: from strict costumes and business-suits to charming romantic ensembles and elegant evening dresses.

Versatile and pragmatic concept of the issue guarantees perfect perception and active usage of the magazine. All these features contributed to the issue’s favorable position on the market of female magazines.

**“Burda” – the whole world of fashion!**
