ПИТОМНИК ДЕКОРАТИВНЫХ КУЛЬТУР

*Поздравляем Вас с наступающим
Новым годом и Рождеством!*

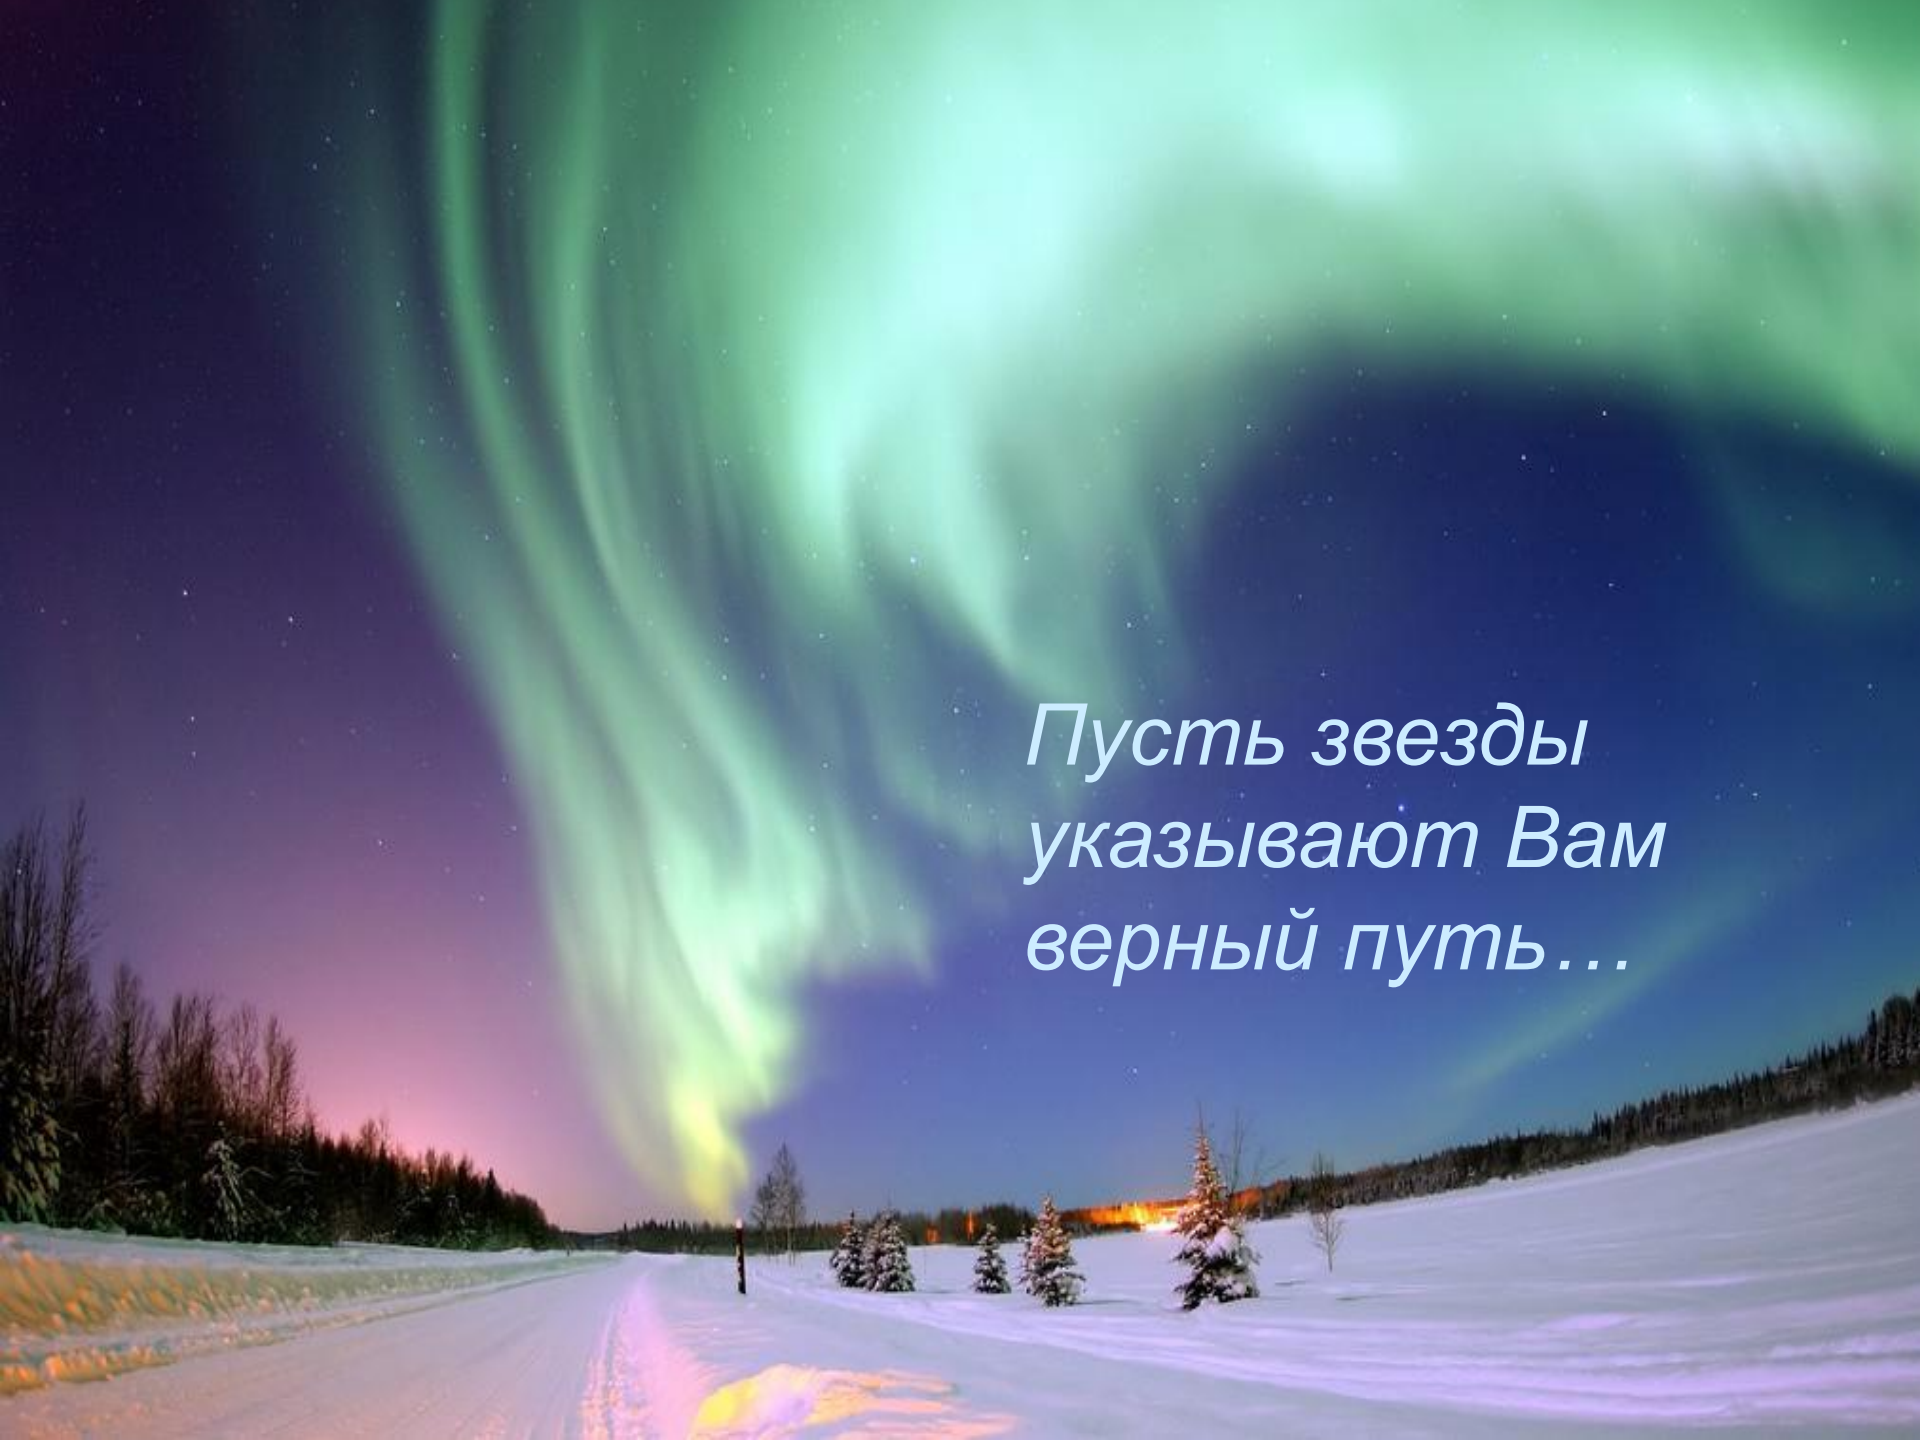

***Пусть Новый 2011 год
будет щедрым...***

...ярким,

... красивым.

A winter landscape at night. The sky is dark blue and purple, with the Aurora Borealis (Northern Lights) visible as vibrant green and yellow streaks. A snowy road leads from the bottom left towards the center, where a warm light source, possibly a house or a fire, is visible in the distance. The foreground is covered in snow, and there are some evergreen trees on the left and right sides.

*Пусть звезды
указывают Вам
верный путь...*

A serene winter landscape featuring a calm river that perfectly reflects the surrounding snow-covered trees and mountains. The scene is bathed in a soft, cool light, creating a peaceful and tranquil atmosphere. The snow-laden branches of trees are particularly prominent, their intricate patterns mirrored in the still water. In the foreground, a small, snow-covered evergreen tree stands partially submerged in the river, its reflection also visible. The overall composition is balanced and harmonious, evoking a sense of quiet beauty and stillness.

...и на сердце будет мир.

Желаем Вам и Вашим близким

РОЖДЕСТВЕНСКИХ ЧУДЕС

...и добрых вестей.

Пусть всегда ярко светит солнце

...и в доме будет уютно и тепло.
