The Earth

We live on the earth. It is very, very big. There is lot of water on the earth. It is in rivers, lakes, seas and oceans. There are a lot of forests and fields, hills and mountains on it.

~~The earth is full of wonders. Different animals live on the earth. Different plants grow on it. The earth is beautiful.~~

There are large countries and small countries. There are warm countries and cold countries. There are some countries where there are four seasons in a year and some countries where there are only two.

When it is day in one country it is night in another country.

- 
- When the sun shines it is day, when the sun does not shine it is night. You can see the moon and the stars in the sky at night.
-
- People live in different countries. They speak different languages.
 - Our country is one of the largest countries in the world. It is so large that when it is morning in the east, it is evening in the west.
 - There are a lot of long rivers, beautiful lakes, large forests and high mountains in our country.
 - People who live in our country speak more than two hundred different languages.
