The Palgrave Macmillan Dictionary of Finance, Investment and Banking helps you understand and use financial language with more ease and confidence.

Compiled by a finance professional with real-world experience on three continents, it is a highly practical reference book containing the essential terminology of today's international financial marketplace. It gives concise and clear definitions of well over 5,000 terms commonly used in the industry, covering the disciplines of accounting, banking, corporate finance, investment management and insurance.

This dictionary includes:

- New terminology, reflecting developments following the global financial crisis
- 'Hot topics' of Islamic finance, bank regulation, carbon/emissions trading, business law/bankruptcy and structured products.
- International coverage, with terminology used in Europe, Asia and the USA
- Technical and non-technical terms, colloquialisms, acronyms and foreign language terms
- 190 essential formulae and 50 diagrams to aid understanding

ERIK BANKS is responsible for risk management within the Corporate and Investment Bank at the European universal bank UniCredit. Over the past 23 years he has held senior risk positions at Citibank, Merrill Lynch and in the hedge fund sector, in New York, Tokyo, Hong Kong, London and Munich.

BBC News: RBS chief Hester's 963,000 bonus criticised

Hester has seen the RBS share price tumble but he's got his bonus on top of his 1.2m salary and his Long-term Incentive Plan (not mentioned in the article), which will be worth millions. All the talking heads are saying pretty much what you'd expect them to... [\(read more\)](#)

[Secret Document: Germany Wants To Put Greece Under EU Curatorship](#)

Found on [naked capitalism](#) on Sun 29th Jan 12

In what will probably become a blueprint for the road to EU serfdom, Germany's government has written a so far unpublished document that requires Greece to put interest and debt payments ahead of all other needs and demands that Greece put itself under 'temporary'

*Brilliant Writing Tips
for Students:*

‘This book is exactly what it says on the cover - brilliant! It's fully comprehensive, covering everything from punctuation to improving your writing style. I particularly like the way the information is set out in a concise and very accessible way, and the graphics really make their point. The bit about the apostrophe, for example, is just fantastic - you couldn't ever get it wrong again!’
