# WHAT DO WE STUDY?

The **question** is what way of presenting grammar material is more effective?  
The **object** of the work is articles with geographical names.

The main **aim** of the work is to make a booklet with a scheme or table “Articles with geographical names” and to check how it works on practice.

So we should:

- study the rules, analyze them
- make a booklet “Articles with geographical names”
- check it on practice
- interview students
- test the hypothesis
- interpret the results of our research

We use the following **methods**: working with additional literature, analysis, discussion, interviewing, etc.

Our **hypothesis** - we suppose that presentation of grammar material in the form of the table or scheme is more effective and makes the results of testing paper better.

## Group B

- **Артикли с географическими названиями.**
  1. Употребление артиклей с географическими названиями во многих случаях основано на традиции: the Hague, the Strand, the Mall, the Wall Street.
- На **географических картах** названия принято давать **без артиклей**.
  - а) **Определенный артикль(the)** употребляется с географическими именами, обозначающими **названия океанов, морей, проливов, течений, каналов, рек, озер и водопадов**: the Indian (Ocean), the North Sea, the Bosphorus, the Gulf Stream, the Amur, the Thames (the River Thames), the Seliger, (the) Niagara Falls.  
(Сравните: the Baikal, но Lake Baikal), а также
  - б) **горных цепей и групп островов**: the Rocky Mountains (the Rockies), the Urals, the Himalayas..
- *Однако* названия отдельных **горных вершин, холмов и островов** употребляются без артикля: Vesuvius, Elbrus, Everest, Poklonnaya Gora, Easter Island, Cuba, Madagascar, Cyprus, Haiti.
- в) **Определенный артикль(the)** ставится перед наименованиями **регионов и пустынь**: the Midlands, the Lowlands, the Lake District, the Crimea, the Caucasus, the Middle East, the Far East, the Punjab, the Riviera, the Ruhr, the Tyrol, the Transvaal; the Gobi, the Sahara Desert, the Kara-Kum, the Kala-hari.
- г) К числу географических имен, употребляющихся **без артикля**, относятся **названия континентов, стран, областей, городов, деревень**: Europe, Africa (the African Continent), Antarctica, France, Russia, California, Bavaria, Moscow, London.
- Артикль **не** употребляется, если эти существительные имеют определения типа **north(ern), south(ern), ancient, old, central, medieval, east(ern), west(ern)**: Central America, South-East Asia, old England.
- Названия стран, включающие такие нарицательные существительные как **Union, Kingdom, States, Dominion, Federation, Republic**, имеют **определённый артикль(the)**: the Russian Federation, the United Kingdom, the Irish Republic.
