Mikhail Kozlov

SPECIALIST SALES MGMT - IW & C, RU-BPA
MOSCOW-KHBP/5.501 +7 (495) 9678585 X131

Since 1992 I was responsible for Strategic Marketing/Sales Management, Re-organization/Organization development and Project Management with several High-tech/CPG/Consulting companies in Russia. I managed teams up to 15 people. Is sociable and flexible. I appreciate challenging tasks, value fun at work and good team and customers relationships.

Key skills:
 Managerial skills: leadership, delegating and team working, motivating, planning, training, recruiting and administration. Ability to work independently and as a team leader/member. Strategic thinking - have the vision to define value creation propositions via creativity/analysis/synthesis approach.
 Sound knowledge of sales, project management and marketing including experience of closing big deals, selling of software products as well as consulting and support services. Ability to interact with customers' decision makers to identify strategic opportunities and provided guidance in scoping and pricing solution-based engagements. Written and verbal communication skills both in Russian and English; presentation, negotiations and relationship development skills. Responsive, customers oriented; experience in preparation of contracts with the customers, subcontractors and international manufacturers. Process/project management. Good PC/Microsoft products knowledge.
 Project Management Experience
 12/2001 - 12/2002: Sales and Customers Relationship restructuring for V6 Technologies - software development company (Moscow).
 09/2001 - 11/2001: eLearning implementation project for Rossib Pharmacy (Moscow branch) - among top 10 Russian pharmacy distributors.
 04/1999 - 09/2001: Managed improvement and strengthening of business functions and development of business procedures for CARANA Corporation (Moscow representative office) - an American management consulting company.

Welcome to your Blog!

To begin using your site, click **Create a Post** under Admin Links to the right.

What is a Blog?

A Blog is a site designed to help you share information. Blogs can be used as news sites, journals, diaries, team sites, and more. It is your place on the World Wide Web.

Blogs are typically displayed in reverse chronological order (newest entries first), and consist of frequent short postings. With this Blog, it is also possible for your site visitors to comment on your postings.

In business, Blogs can be used as a team communication tool. Keep team members in touch by providing a central place for links, relevant news, and even gossip.

Простое управление проектами

The screenshot shows a web browser window displaying the 'Office Marketing' website. The main content area is titled 'PWA Planning' and shows a Gantt chart for 'Tasks - All' spanning from September to November 2006. The Gantt chart includes tasks like 'Futures Deck', 'PTL Demo', 'Marketing Budget', 'Marketing Offsite', and 'Schedule out GTM'. Below the Gantt chart is a table of tasks with columns for Type, Title, Assigned to, Status, Priority, Due Date, and % Complete.

Type	Title	Assigned to	Status	Priority	Due Date	% Complete
Task	Futures Deck	William Lyon	Completed	(2) Normal	9/4/2006	100%
Task	PTL Demo	William Lyon	In Progress	(1) Normal	9/4/2006	
Task	Marketing Budget	William Lyon	In Progress	(2) Normal	9/4/2006	90%
Task	Marketing Offsite	Giovanni Mezgec	Pending	(2) Normal	10/4/2006	
Task	Schedule out GTM	William Lyon	On Hold	(2) Normal	10/4/2006	

Списки проектных задач в списках Sharepoint

Возможность автоматического переноса в Project Professional

Простые списки задач и зависимостей

Подготовка презентаций

- Бизнес-сценарий

- Менеджер проекта готовит сводную презентацию для управляющего комитета
- Ищет типовые шаблоны и графики в своих старых презентациях и у коллег
- Тратится лишнее время на оформление и воспроизведение контента

Проблемы

- Невозможно запомнить где искать готовые слайды
- Множество графиков нужно рисовать с нуля
- Много времени уходит на форматирование и приведение к стандартам

Библиотеки слайдов PowerPoint

The image shows a screenshot of a SharePoint library named 'Weekly Update Resource Slides' and a Microsoft PowerPoint presentation. The SharePoint library view includes a table of slides with columns for Thumbnail, Filename, Description, Presentation, Published By, Date Published, Animation, and Number of Times Used. The PowerPoint presentation is titled 'Outline - Microsoft PowerPoint' and shows a slide with the text 'Web Publishing Professional Excellence@Microsoft' and 'Best Practices Web Design Acumen Breakout Presentation'. A 'Reuse' pane is visible on the right side of the PowerPoint window, showing a search interface for reusing slides.

Thumbnail	Filename	Description	Presentation	Published By	Date Published	Animation	Number of Times Used
	Weekly Update_1	Windows Era	Weekly Update	Hillary Carter	6/18/2004	yes	12
	Weekly Update_2	Microsoft					
	Weekly Update_3	Six Million					
	Sales Overview_9	PC & Serv					
	Server Forecast_7	Cool pyra					
	Server Forecast_3	Electronic					
	Orange_21	Cool color					

Доступ к слайдам из презентации

Сохранение слайдов на сервере для повторного использования. Оповещения об изменениях

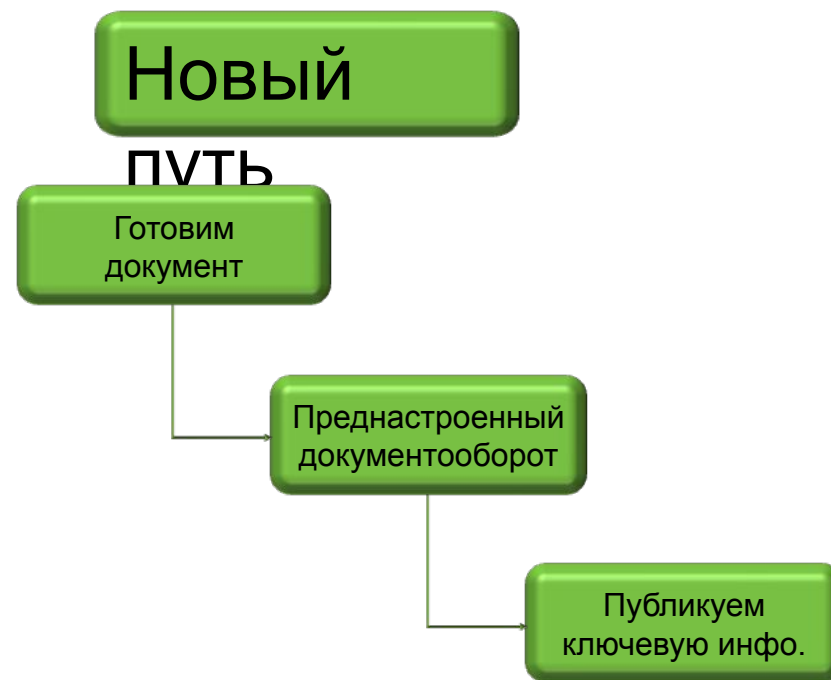

Согласование документов

- Бизнес-сценарий

- Руководитель проекта публикует план запуска нового продукта на портал
- Запускается процесс согласования и утверждения
- Документ утверждается и архивируется

Проблемы

- Трудно найти документ(ы)
- Не ясно где последняя версия
- Долгий процесс согласования и утверждения по почте...
- Сложно публиковать документы по правилам и для общего использования

Согласования и утверждения

SP07\Administrator > Shared Documents > eweekexperts2 > Workflows > Start Workflow

Start "Approval": eweekexperts2

Request Approval

To request approval for this document, type the names of the people who need to approve it on the **Approvers** line. Each person you add to the list will receive an e-mail when you start your document. You will receive an e-mail when the request is sent and once everyone has finished their tasks.

Add approver names in the order you want the tasks assigned:

Assign a single task to each group entered. (Don't expand groups.)

Type a message to include with your request:

Due Date

If a due date is specified and e-mail is enabled on the server, approvers will receive a reminder on that date if their task is not finished.

Give each person the following amount of time to finish their task:

Notify Others

Управление договорами с Office 2007

ВИДЕО

Выводы

- ◆ При помощи SharePoint вы можете начать управлять множеством малых проектов, где основная задача – эффективные коммуникации и управление документами
- ◆ За счет тесной интеграции с Project Server возможно перейти к полноценному управлению проектами
