2. PARTNERSHIP STATEMENT

A partnership is a relationship of substance between two or more organisations involving shared responsibilities in undertaking the action funded by the Joint Managing Authority. To ensure that the action runs smoothly, the Joint Managing Authority requires all partners to acknowledge this by agreeing to the principles of good partnership practice set out below.

1. All partners must have read the application form and understood what their role in the action will be before the application is submitted to the Joint Managing Authority.
2. All partners must have read the standard grant contract and understood what their respective obligations under the contract will be if the grant is awarded. They authorise the lead applicant to sign the contract with the Joint Managing Authority and represent them in all dealings with the Joint Managing Authority in the context of the action's implementation.
3. The Micro-project Lead Partner must consult with its partners regularly and keep them fully informed of the progress of the action.
4. The Micro-project Lead Partner must report to the applicant regularly on the progress of the micro-project.
5. All partners must receive copies of the reports - narrative and financial - made to the applicant.
6. On the base of these reports and applicant's activities implementation, the applicant reports on the progress of the umbrella project to the Joint Managing Authority.
7. Proposals for substantial changes to the action (e.g. activities, partners, etc.) should be agreed by the micro-project partners and the applicant before being submitted to the Joint Managing Authority. Where no such agreement can be reached, the applicant must indicate this when submitting changes for approval to the Joint Managing Authority.
8. Where the Beneficiary does not have its headquarters in the country where the action is implemented, the partners must agree before the end of the action, on an equitable distribution of equipment, vehicles and supplies for the action purchased with the EU grant among local partners or the final beneficiaries of the action.

I have read and approved the contents of the proposal submitted to the JTS. I undertake to comply with the principles of good partnership practice.
