На странице регистрации доклада введите или скопируйте/вставьте название доклада (**Title**). Фамилия участника, который заполнял анкету, появляется в форме автоматически – и в строке **Authors**, и в строке **Reporter**. Далее регистрируете соавторов. Если при вводе Фамилии соавтора не появляется список из фамилий уже зарегистрированных соавторов/участников, то требуется заполнить упрощенную форму, предварительно кликнув на **Add co-author** (зеленая стрелка).

## Invitation

*Dear Colleague,*

*We are pleased to invite you to participate in the IX International Conference "Mechanisms of Catalytic Reactions". The Conference is organized under the auspices of the European Federation of Catalysis Societies (EFCATS). The Conference will take place in St. Petersburg, Russia, on October 22-25, 2012.*

*The IX Conference "Mechanisms of Catalytic Reactions" follows an established tradition, with previous meetings held in Moscow (1974, 1979, 1986, 1990, 2002), Saint-Petersburg (2006), and Novosibirsk (1982, 2009). Since 2009, conferences of this series have a status of regular international events held every three years. The IX Conference addresses challenging problems of catalysis and physical chemistry and welcomes researchers from across the globe, working in all fields of catalysis.*

*The venue (Saint Petersburg is reputed the cultural capital of Russia) and an exclusive social program will allow further opportunities for productive communication.*

*Chairmen:*

Valentin N. Parmon,  
Boreskov Institute of Catalysis

Valery V. Lunin,  
Lomonosov Moscow State University

В персональном кабинете в разделе **Report application** нажимаете на **Add new report** и переходите на страницу регистрации доклада, далее см. слайды 3-8.

## РЕДАКТИРОВАНИЕ

Для того, чтобы отредактировать название доклада или изменить состав авторов, ФИО докладчика, то на странице персонального кабинета нужно:

1. нажать на значок **карандаш** напротив названия доклада, внести требуемые изменения. После редактирования сохранить - **Save**. (см. 13 слайд)
2. или нажать **на название доклада**, затем на **Edit**, внести требуемые изменения. После редактирования сохранить - **Save** (см. 12-13 слайды).

Аналогично редактируется анкета, если кликнуть на значок «карандаш» или ФИО участника/соавтора.

## Редактирование (продолжение 11 слайда, п.2)

1. Чтобы добавить нового соавтора – см. слайды 3-6. Если требуется вставить ФИО нового соавтора в середину списка, то в строке Authors нужно поставить курсор рядом с ФИО последнего автора и стрелкой влево переместить в нужное место. И далее действовать согласно слайдам 3-6.
2. Чтобы удалить соавтора – нажимаете **X** рядом с ФИО
3. В строке Reporter из выпадающего списка можно поменять докладчика, кликнув на нужную фамилию.

Если требуется заменить файл с тезисами, то прежний файл нужно удалить - *Delete*, а затем через Обзор загрузить новый файл (см. 8 слайд). Затем сохранить страницу – *Save*.

The screenshot shows the 'Edit report' interface. On the left is a navigation menu with items like 'Invitation', 'Committees', 'Scientific program', etc. The main form has the following fields:

- Title:** \* Mechanisms of Catalytic Reactions
- Authors:** \* Ivanov I.I. ✕ Petrov P.P. ✕ Fedorov F.F. ✕ (A red arrow points to the 'X' next to Fedorov F.F.)
- Co-author is not registered yet?** Add co-author
- Reporter:** \* Ivanov Ivan Ivanovich (A red arrow points to the dropdown arrow)
- Abstracts:** Ivanov Ivan Ivanovich, Petrov P P, Fedorov F F (A red arrow points to the text)
- Abstracts file:** Delete Ivanov-oral-1.doc (A red arrow points to the 'Delete' button)
- Save** button (A red arrow points to the button)

In the center of the text area, there is a large red 'X' over the text 'Ctrl + C' and 'Ctrl + V', indicating that these keyboard shortcuts are disabled.
