

# Past Continuous

**Past continuous (I was doing)**

(a) Изучите данную ситуацию:

**Yesterday at that time I was playing football. was playing** - означает, что он был в процессе игры в футбол. Он уже начал игру, но еще не закончил ее. Это время называется **Past continuous**. Мы используем **Past continuous**, чтобы сказать, что действие началось или продолжается в какой-то момент в прошлом. Например:

- **She was sitting comfortably on the floor.**
- **The boy was throwing stones at a kitten which was sitting on the fence across the street.**

**Past continuous** не говорит нам что-либо об окончании действия. Возможно, оно потом закончилось, возможно - нет. Сравните:

- **She was cooking the supper.** (past continuous) = Она готовила ужин, но мы не знаем, перестала ли она это делать.
- **She cooked the supper.** (past simple) = Она начала и закончила готовить ужин.

Определенный момент часто не выражен прямо, но понятен из ситуации. Например:

- **Red Chief was sitting on Bill's chest holding him by hair with one hand. He was trying to take Bill's scalp.**
- **He was standing in front of him ready to strike him with a big stone.**

(b) Время **Past continuous** образуется при помощи прошедшего времени глагола **to be** и причастия настоящего времени. Например:

**I/he/she waswe/they/you were playing**

(c) Мы часто используем **Past continuous**, чтобы сказать, что кто-то находился в процессе совершения какого-либо действия в определённый момент в прошлом. Действие или ситуация уже начались перед этим моментом, но еще не закончились.

- **This time yesterday the Time Traveller was talking to a group of his friends about the problem of travelling in time.**

(d) Это время не говорит нам о том, закончилось ли действие:

- **The Time Traveller was moving further and further into the future.**

(e) Время **Past continuous** часто употребляют с **Past simple**, чтобы сказать, что что-то еще произошло **во время** совершения действия:

- **Just at daybreak I woke up because Bill was screaming.**

- **When I came back to a cave I saw that Bill was standing with his back to the wall.**

Но чтобы сказать, что одно произошло **после** другого, используется **past simple**:

- **Arthur gave the sailor his watch and money and the sailor went away.**

(f) Время **Past continuous** часто употребляется после таких фраз, как:  
**the whole day, all day long.**

- **The car was waiting for them at the stage door the whole day.**

- **All day long he was walking noiselessly, like a scout.**

(g) Время **Past continuous** употребляется для выражения действия, рассматриваемого как постоянно продолжающийся процесс. В этом случае используются такие наречия, как:  
**always, ever, constantly.**

- **His photograph was always appearing in the illustrated papers.**

- **Ann was constantly complaining of being lonely.**

**Запомните:** Существуют несколько глаголов (например **know**), которые обычно не используются в **continuous tenses**.

# Past Perfect

- (a) **Past Perfect Tense** образуется при помощи **had + past participle** (seen, gone, opened, written, looked, и т.д.).
- Список причастий прошедшего времени от неправильных глаголов (**past participle**) смотри в [Appendix2](#). Мы используем **Past Perfect** для того, чтобы показать:
  - 1. что действие было завершено до определенного момента в прошлом:
    - - I had written a letter by two o'clock.
  - 2. что одно действие было завершено перед другим действием в прошлом:
    - - She had already left when I came.
    - - I didn't know what I should write. I had never written letters before.
- (b) **Past Perfect (I had done)** - это прошедшее время от **Present Perfect (I have done)**. Сравните:
  - Present **I'm not hungry. I've just had lunch. The house is dirty. We haven't cleaned it for weeks.**
  - Past **I wasn't hungry. I'd just had lunch. The house was dirty. We hadn't cleaned it for weeks.**
- (c) Сравните **Past Perfect** и **Past Simple**:
  - - Was Mary ready to go to the cinema when you came to her?
  - - Yes, she had been ready by the moment.
  - - Jack wasn't in when I phoned him. He was in his office.
  - - Jack had just got home when I phoned him. He had been in his office.
