Description

Authority Science News Site - one of only 5 offsite links in a premium position of an old PR9 site.

Subpages available are related to science, including medicine, education and technology.

The site has over 45 .edu backlinks and 2 .gov backlinks.

All links subject to approval. High quality science or technology sites only accepted on the PR9 (when available). Relevant links accepted on the relevant subpages.

Requirements

- Links must be high quality and relevant to science or technology
- No PRO Links

- Интерфейс программы Seo Spy Glass

The screenshot displays the Seo Spy Glass application window. The title bar reads "http://www. com - www. com.spy - SEO SpyGlass". The menu bar includes "File", "Tools", "Preferences", "Window", and "Help". Below the menu is a toolbar with icons for "New", "Open", "Save", and "Close".

The main area is titled "Search Engines Data" and features a "Quick Filter:" input field and a "Reset" button. A dropdown menu is set to "Show Backlinks From Blogs & Forums Only". A "Workspace" icon is visible in the top right corner.

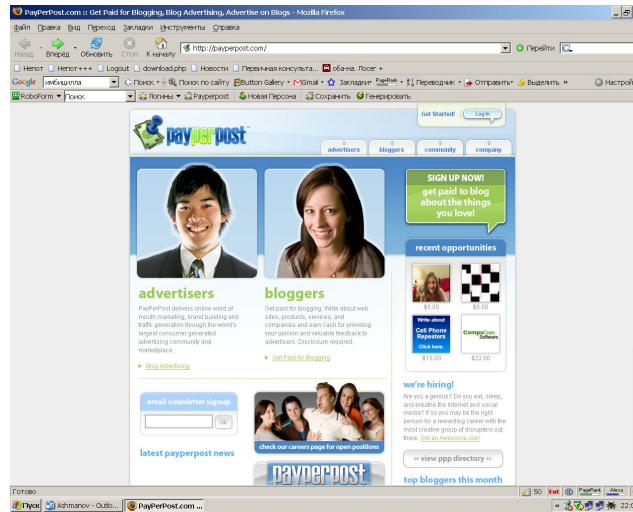

The central part of the window contains a table with the following columns: #, Search Eng..., Backlink Page, Webpag..., Title, Links Back, Anchor URL, Anchor Text, Outb..., Total Links, and Link Value. The table lists 36 entries, each with a search engine icon, a URL, a page title, and associated link statistics.
