## Welcome to eLibrary!

Your library subscribes to [Academic Complete](#), a growing e-book collection spanning all academic subject areas.

Below are a few easy steps to help you get started. For further support and troubleshooting, please visit our [online training site](#).

## Getting Started

1. **Conduct a search** – Use simple or advanced.
2. **Open a document** – Click on the title name or jacket.
3. **Explore the document** – Navigate to search terms, search the document for key words, jump to relevant chapters, flip through pages.
4. **Highlight text and take notes** – Create a bookshelf (if needed) to save and organize your research.
5. **Use InfoTools** – Link out to other online resources to expand your research.
6. **Print pages, and copy and paste text** – eLibrary provides automatic citations with a URL hyperlink back to the source.
7. **Manage, archive and share research** – Organize your bookshelf and email
