

Company Presentation

«Yakovlev & Partners»

Company History

- **The professional law group “Yakovlev & Partners”** started its small business in **1990** as a limited liability company “MaTEC” (Marketing, Trading, Engineering and Consulting) founded by a group of lawyers, who had comprehensive experience of work in the state structures.
- **In 1995** the Company was renamed as LLC “MaTEC. Yakovlev & Partners” with its new activity of rendering legal assistance to Russian business both in Russia and abroad.
- **In 2003** a number of the Company executives formed the **Moscow Collegium of Advocates “Yakovlev & Partners”**. Establishment of the Collegium allowed distinguishing between two main directions of the company’s work: advocates work mostly in courts, lawyers of “MaTEC. Yakovlev & Partners” provide legal consulting services.

GENEVA GROUP INTERNATIONAL

The law group is a member of [Lawspan International](#) - an international association of law, accounting and consulting firms throughout the world - **Geneva Group International** (with the head office in Zurich, Switzerland), which unites more than **350** professional companies with **1470** partners and **12000** specialists in more than **66** countries all over the world. Thus, clients of our company may enjoy all-inclusive legal services abroad.
