

A winter forest scene with birch trees, a path, and a fox. The scene is rendered in a stylized, pixelated or crayon-like style. The background is a mix of light blue and white, suggesting snow. Two birch trees with white bark and black lenticels are on either side of the path. The path is marked with black footprints. In the center, a fox is walking away from the viewer. A thought bubble is above the fox, and another thought bubble is above the path. The text in the thought bubbles is in Russian.

A vibrant, stylized winter scene. Two birch trees with white bark and black lenticels stand on either side of a path. The path is a winding line of black footprints leading from the bottom center towards the middle. In the center of the path, a small, grey hedgehog with pink feet and a pink nose is walking. The background is a mix of bright pink, light blue, and white, suggesting a snowy or misty environment. Two speech bubbles are positioned in the center, one containing a question and the other an answer.
