My day

**Ноздрина Наталья Сергеевна, учитель английского
языка МОУ СОШ №11 г.Вичуга**

Цель урока:

- **совершенствование лексико-грамматических навыков устной речи и употребления Present Simple.**

Задачи:

- 1. Формирование умения использования Present Simple в вопросительных и отрицательных структурах в устной речи.
- 2. Формирование умения использования новых лексических единиц в устной речи.
- 3. Формирование логических приемов мышления: сравнения, анализа и синтеза.
- 4. Способствовать воспитанию умения правильно распределять время учебы и отдыха в течение дня.

1 этап. Организационный момент. Фонетическая разминка.

- **Teacher:** Good morning, children. I'm glad to see you.
- **Children:** We are glad to see you, too.
- **Teacher:** How are you?
- **Children:** I'm fine, I'm OK, I'm all right.
- **Teacher:** Would you greet each other? What day is it today? What date is it today? (Short conversation)

2 этап. Постановка цели.

- Let's start our lesson. What are you going to do? Look at the blackboard. The topic of our lesson is "My day". So, today **you are to speak about your day, what you do at school and at home, how you spend your day. At the end of the lesson you are to tell me about your day.** What do we need for it? Look at the blackboard. There are some words (verbs and adverbs). Let's read them. Do you know them? What's the Russian for...?

Our words

- to go to school
- to go home
- to do homework
- to walk
- to play (sport games,
computer games)

3 этап. Повторение Present Simple в утвердительной форме в устной речи.

- **Teacher:** Tell me, please, what do we usually do at the English lessons?
- **Children:** We read books, we write, we do exercises.
- **Teacher:** Do you speak English? What do we do else? What do we usually do after school? (Dialogue speech)

4 этап. Объяснение нового материала.

- In our speech we use **the Present Simple Tense. The Present Simple Tense** is formed with the help of the Infinitive without the particle “to” (the first verb form). If the subject is expressed by a noun or a pronoun in the third person and singular number, we add the ending “s”, “es” to the verb.

- Look at the screen (таблица на экране). Our speech consists of **statements, questions and negotiations**. To form a question in the Present Simple Tense we use the auxiliary verbs “**do**” or “**does**”. “**Does**” we use when a subject is in the third person and singular number. “**Do**” we use in other cases. To form negotiations we use **do not (don't), does not (doesn't)**. Look at the examples and train a skill to ask each other. (Смена слайда и разбор примеров).

Present Simple Tense (statements)

- **I, you, we, they + V1:**

We read books every day

- **He, she, it + V1(S):**

- He reads bookss every day

Present Simple Tense (questions)

- **Do + (I, you, we, they) + V1?**
- Example: Do you read books?

- **Does + (he, she, it) + V1?**
- Example: Does she read books?

Present Simple Tense (negotiations)

- I, you, we, they + do not (don't) + V1.
- Example: I don't read books.
- He, she, it + does not (doesn't) + V1.
- Example: He doesn't read books.

I go to school every day.

Linda **goes** to school every day.

Do you go to school every day?

Does Linda go to school every day?

I **do not** go to school every day.

Linda **does not** go to school every day.
