

СТОРОНЫ ГОРИЗОНТА

A photograph of a sunset over a vast, calm ocean. The sun is a bright, glowing yellow-orange circle positioned exactly on the horizon line. The sky is filled with soft, wispy clouds that catch the light of the setting sun, creating a palette of colors including pale yellow, light blue, and hints of pink and purple. The water in the foreground is a deep, textured blue, reflecting the light from the sky and the sun. The overall mood is serene and peaceful.
