FIGHT *The* SMEARS

"What you won't hear from this campaign or this party is the kind of politics that uses religion as a wedge, and patriotism as a bludgeon -- that sees our opponents not as competitors to challenge, but enemies to demonize."

Выводы о продвижении барака Обама в сети Интернет:

- Одновременно задействовались Интернет площадки с активной аудиторией, распределение аудио, видео, фото и текстового материала
- Рекламное сообщение размещалось на нескольких площадках одновременно (Обама был активен практически на всех популярных социальных сайтах)
- Рекламное сообщение обновлялось и оставалось свежим и интересным (информация часто обновлялась; сочетание текста и картинки)
- Отслеживание реакции и взаимодействие с аудиторией (Обама вступал в диалог с аудиторией, слушал и реагировал).

III Научно-практическая конференция ИМЭБ РУДН **РЕКЛАМНЫЙ ВЕКТОР-2009: НОВЫЕ ВЫЗОВЫ**

-Разработка долговременных отношений с теми, кто действительно поддерживал кандидата и его идеи (взаимодействие с лояльной аудиторией, формирование группы приверженцев, которые в свою очередь также распространяли информацию).

-Характерной чертой кампании Обама был краудсорсинг, привлечение аудитории как часть рекламной кампании. Обама использовал огромную армию своих последователей в сети, которая была собрана при помощи социальных медиа для распространения информации и увеличения информационного покрытия.

Сейчас можно с уверенностью утверждать, что эти выборы стали самыми интернетизированным и технологическими в истории Америки.
