

Карнавал в гората

Леда Милева

A low-angle photograph of birch trees with yellowing autumn leaves against a clear blue sky. The trees are the central focus, with their white bark and dark branches visible. The leaves are in various stages of autumn, ranging from green to bright yellow. The sky is a solid, clear blue. The text is overlaid in the bottom left corner.

Как започна?
Есента боядиса
листата
на брезата.

После ветровете -
през лятото спали -
се разбудиха
и надуха кавали.

Те свиреха тъй
весело,
че листата се засмяха
и заиграха.

A photograph of a large tree with thick, dark, gnarled branches. The leaves are in full autumn color, ranging from bright yellow to golden-brown. The tree is set against a clear, bright blue sky. The perspective is looking up at the canopy of the tree.

**Песента на кавалите
беше звънка,
а дръжката на всяко
листо е тънка!**

Листата се
отрениха
и политнаха с
ветровете.

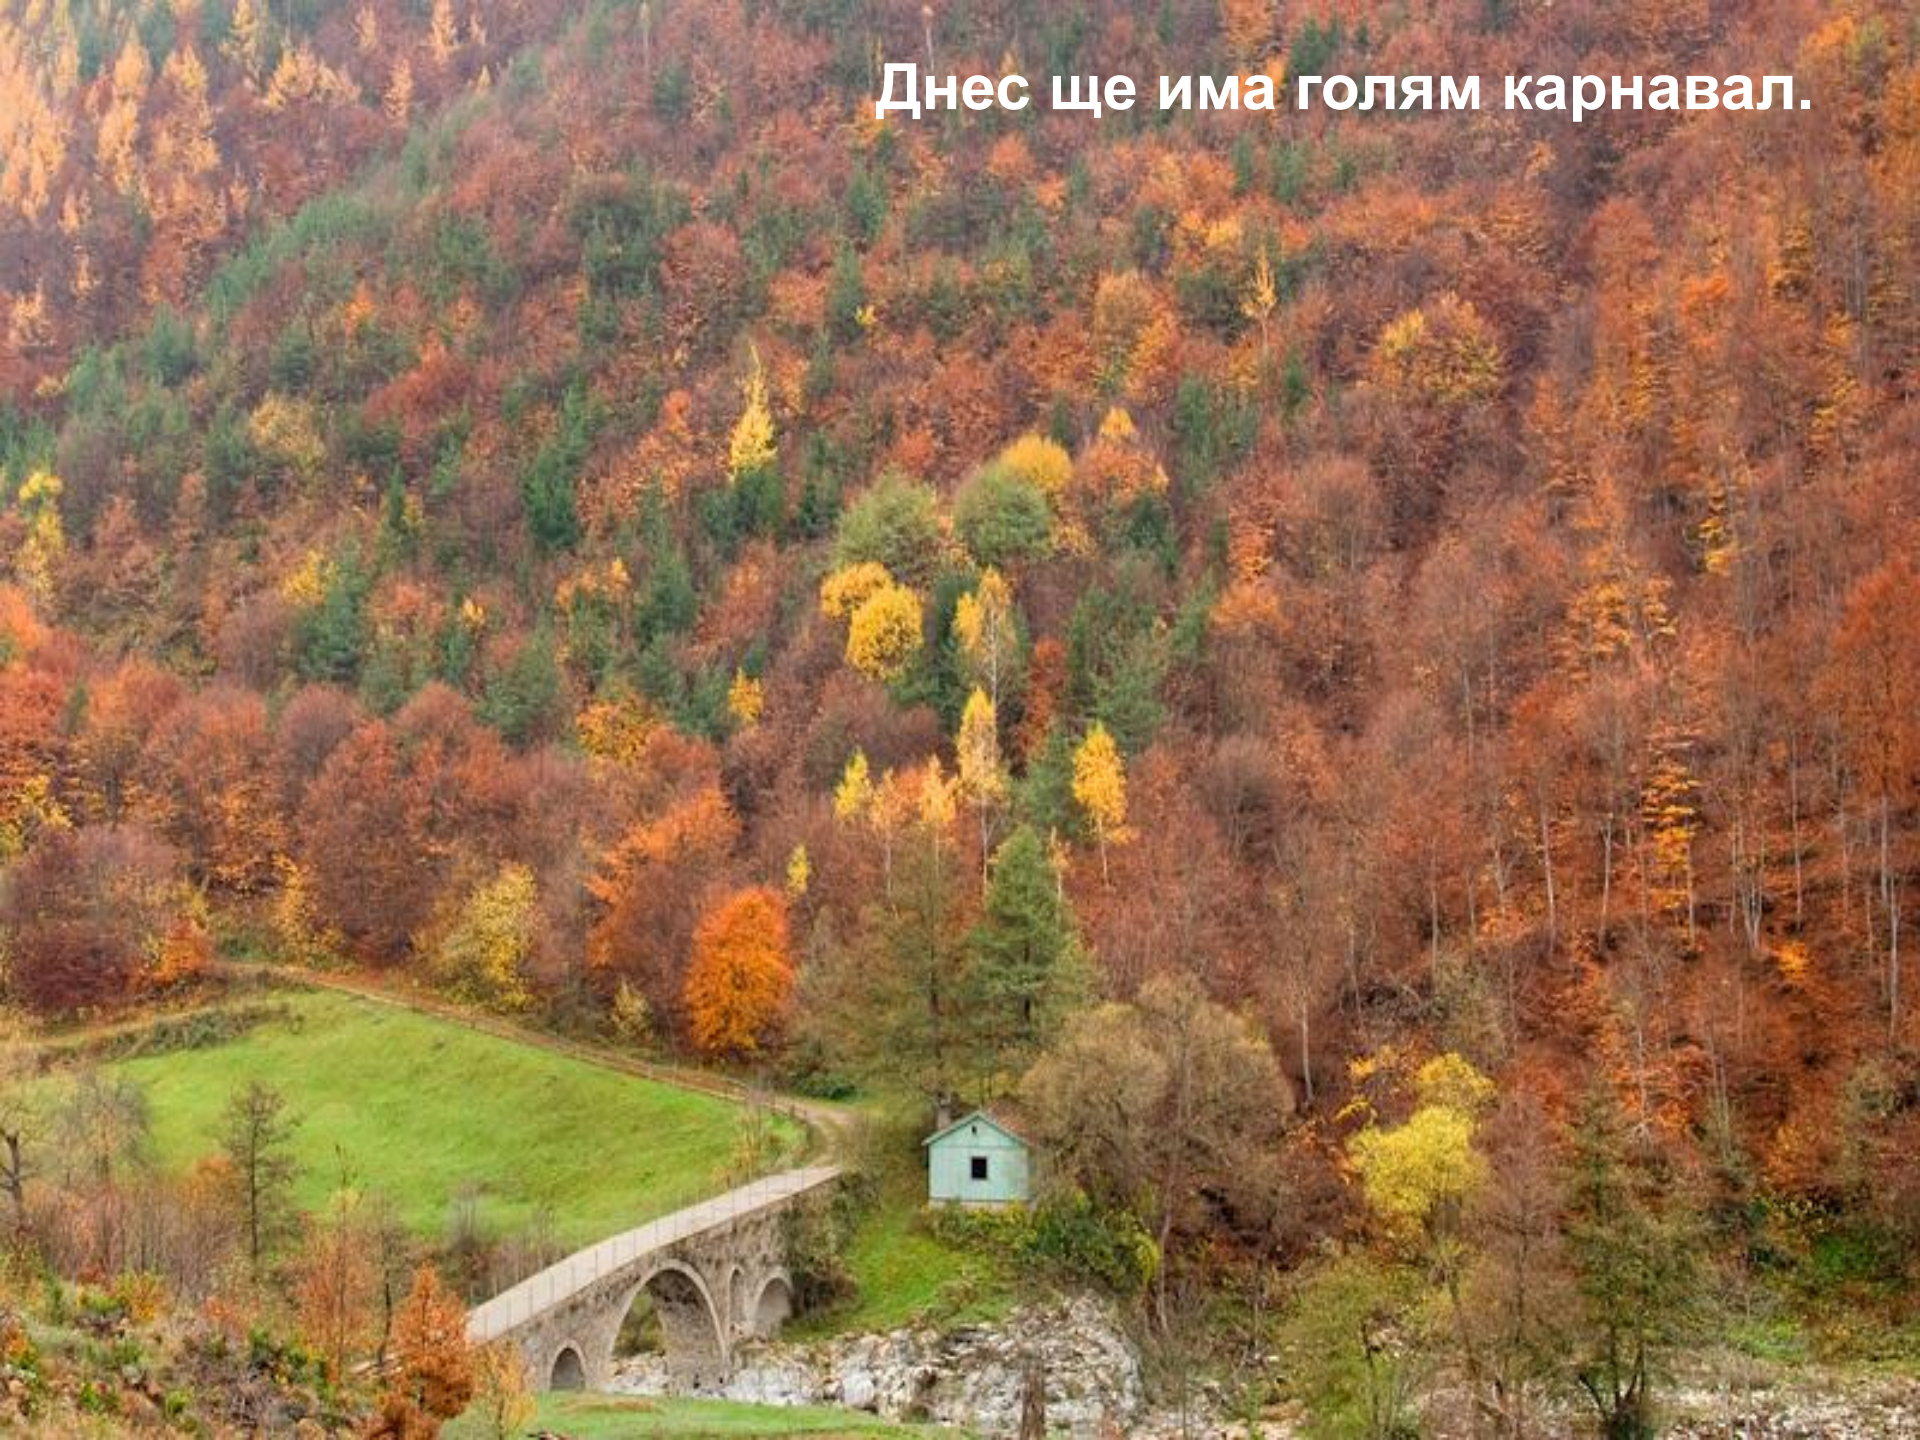

- Какво ще правим, кажете? -
питаха листата
на брезата.

- Ду-ду-ду-у-у! - пицяха ветровете
с кавали. -
Не сте ли разбрали?

Днес ще има голям карнавал.

**Вижете върбите -
позлатили са си косите.**

**Вижте младия бук -
облякъл червен
ямурлук.**

Дори шипката си е
наметнала шал.

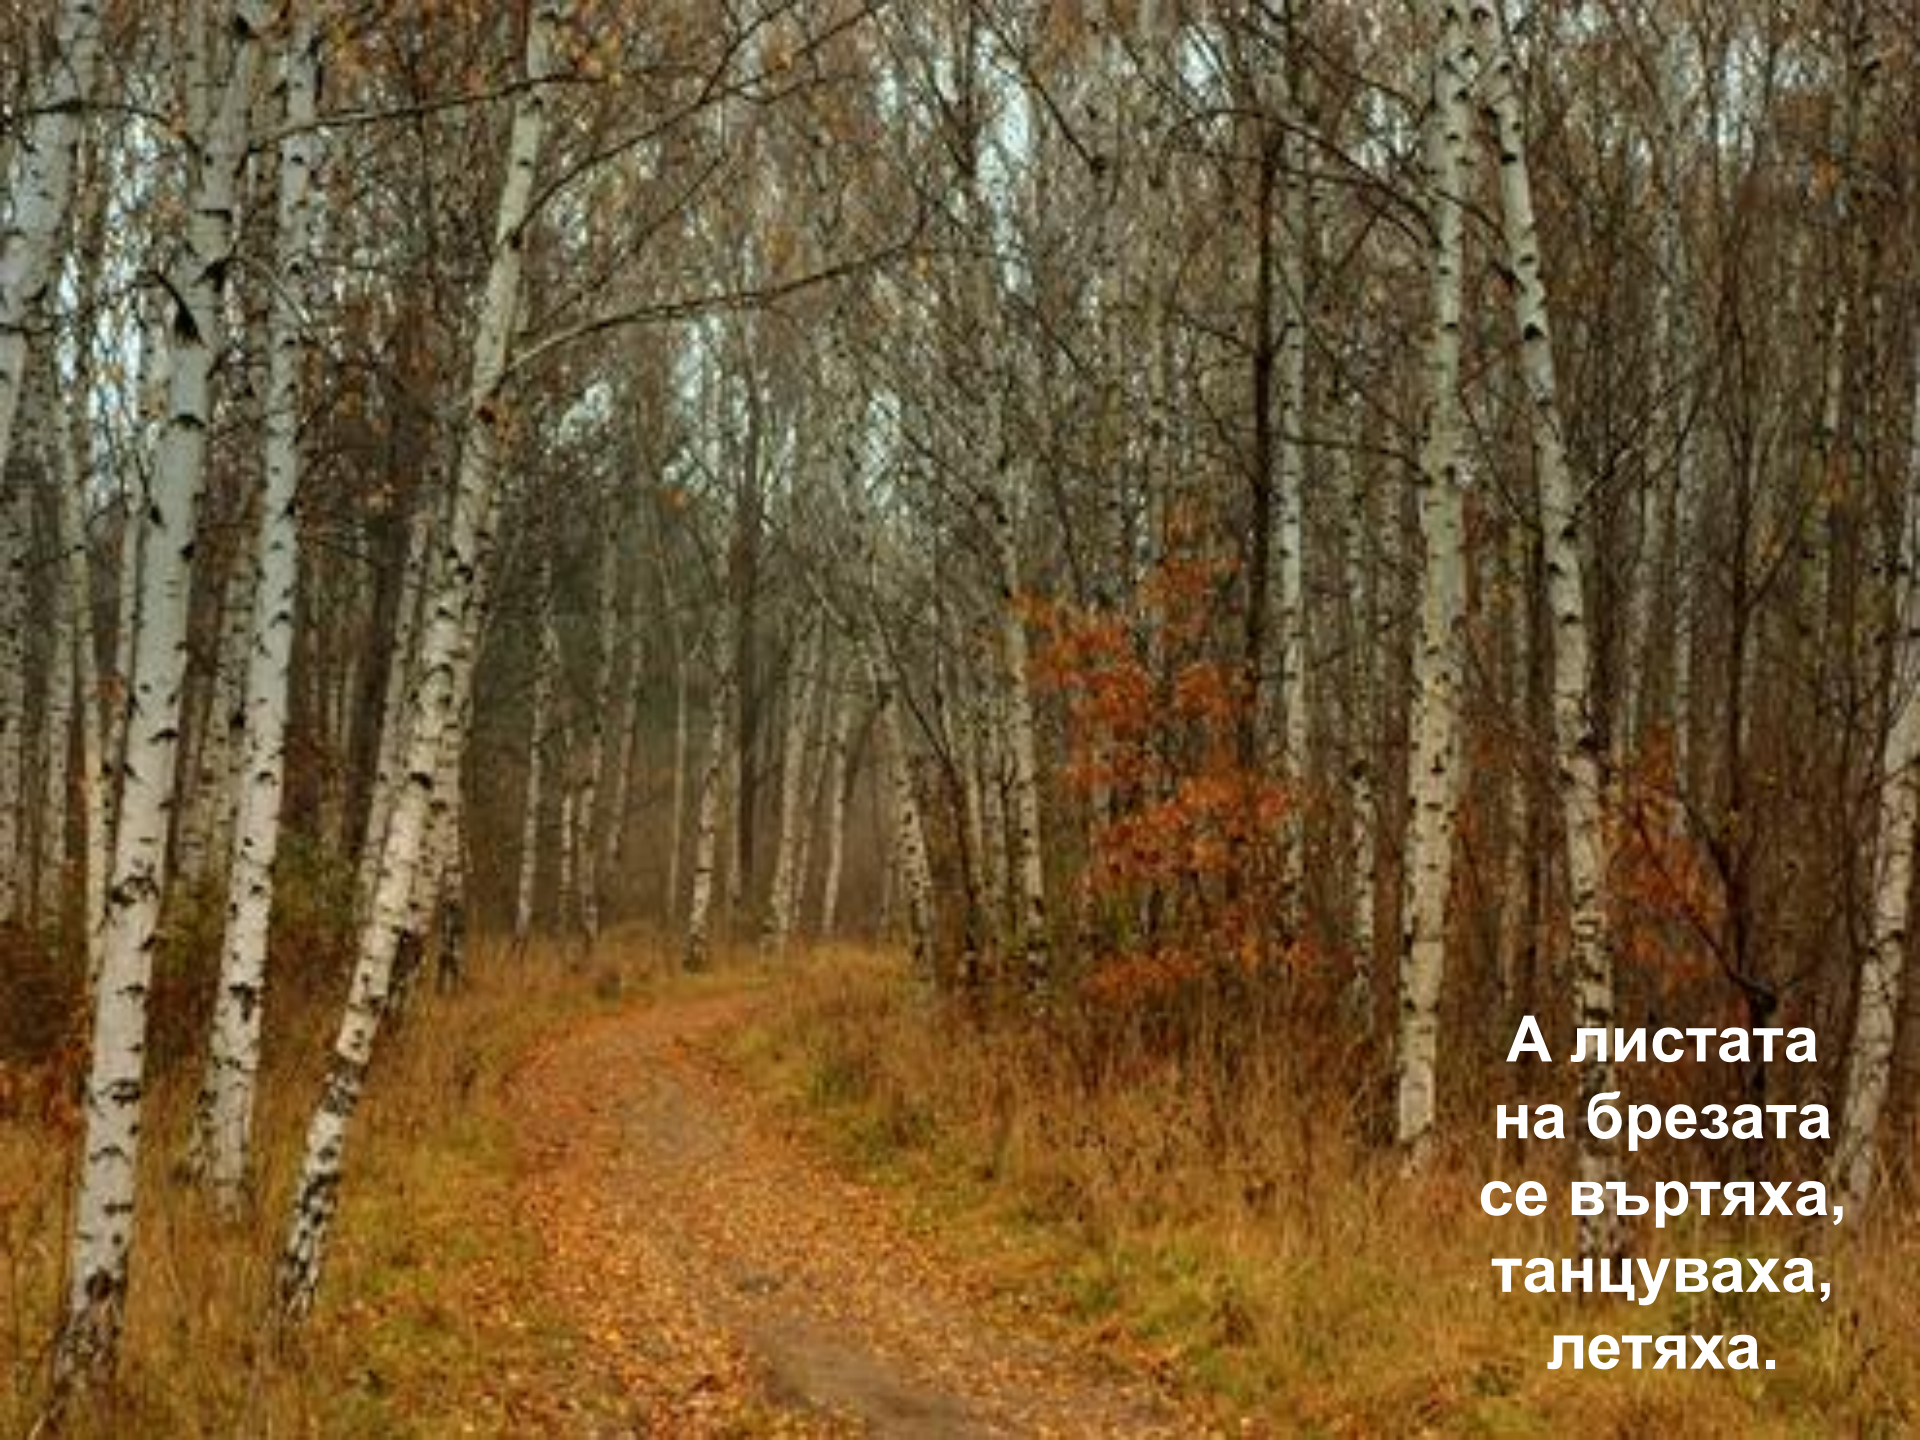

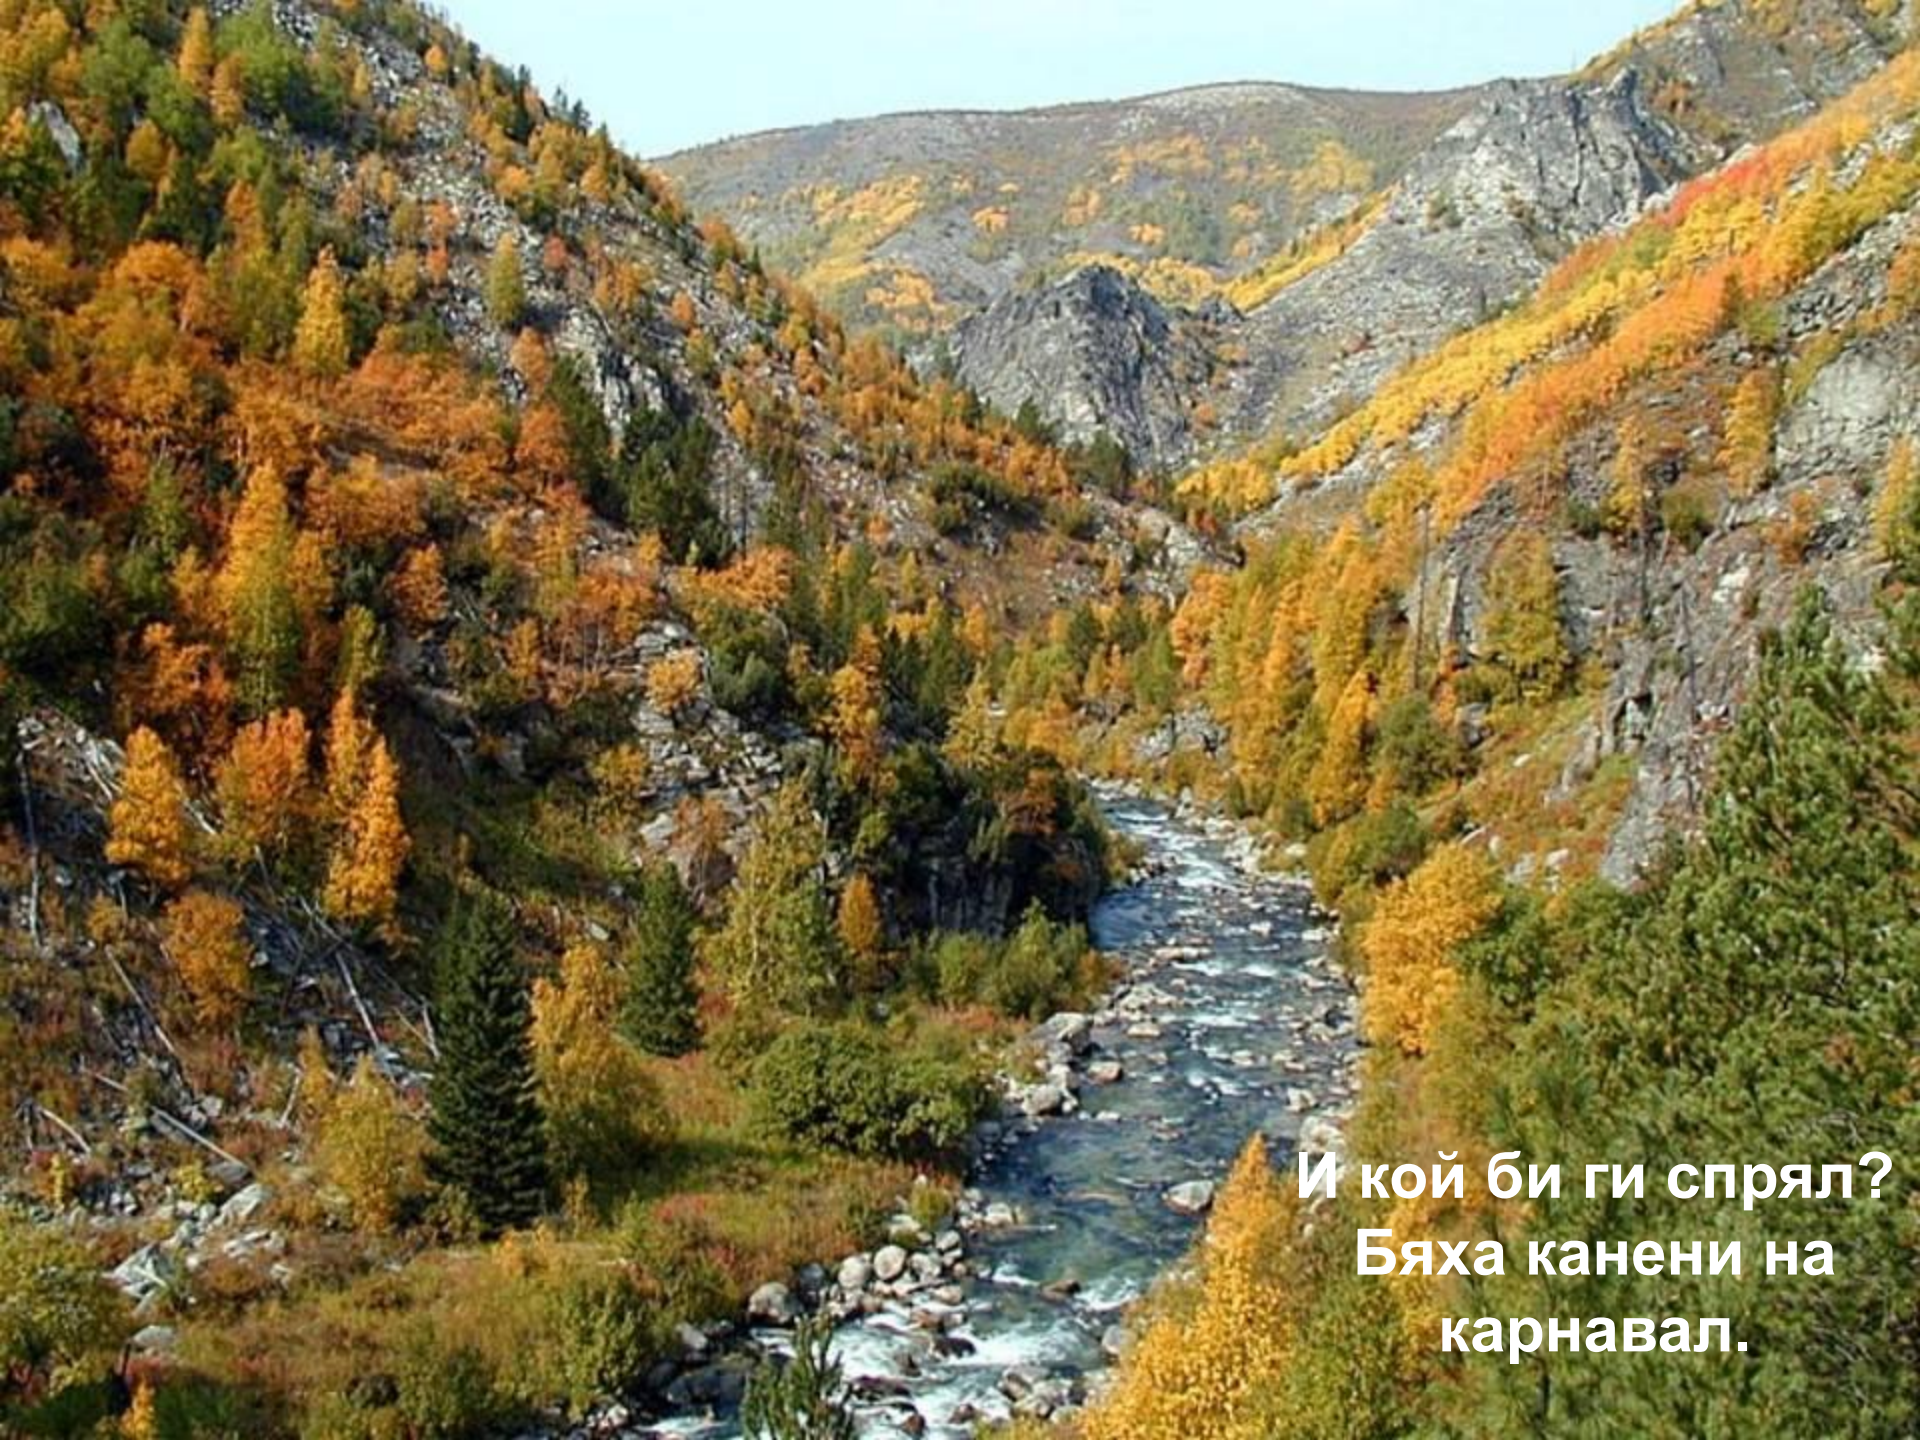

Да вървим! Карнавал, карнавал!

A landscape photograph featuring a large, dark, weathered log lying horizontally across the upper portion of the frame. The log is surrounded by several pine trees with vibrant yellow and orange needles, indicating autumn. The ground is sandy and sparsely covered with dry vegetation. In the background, a body of water is visible under a pale sky, with distant hills or mountains on the horizon. The overall scene is serene and natural.

Тъй свиреха ветровете.

**А листата
на брезата
се въртяха,
танцуваха,
летяха.**

**И кой би ги спрял?
Бяха канени на
карнавал.**

A scenic view of a mountain valley. The foreground shows a rocky slope with green and yellow autumn foliage. In the middle ground, a river flows through a deep valley, flanked by steep, rocky cliffs. The background features more mountains with dense forests of trees in various shades of green and yellow. The sky is clear and blue.
