Ancient people in Russia

We can read about ancient Russian people who lived in the 5-th century. The first tribes lived between the Dnepr and the Dnestr. They were tall and strong with fair hair. Years passed and a lot of tribes were united in the first Slavonic state. It was called “Rus” or “Russian land”.

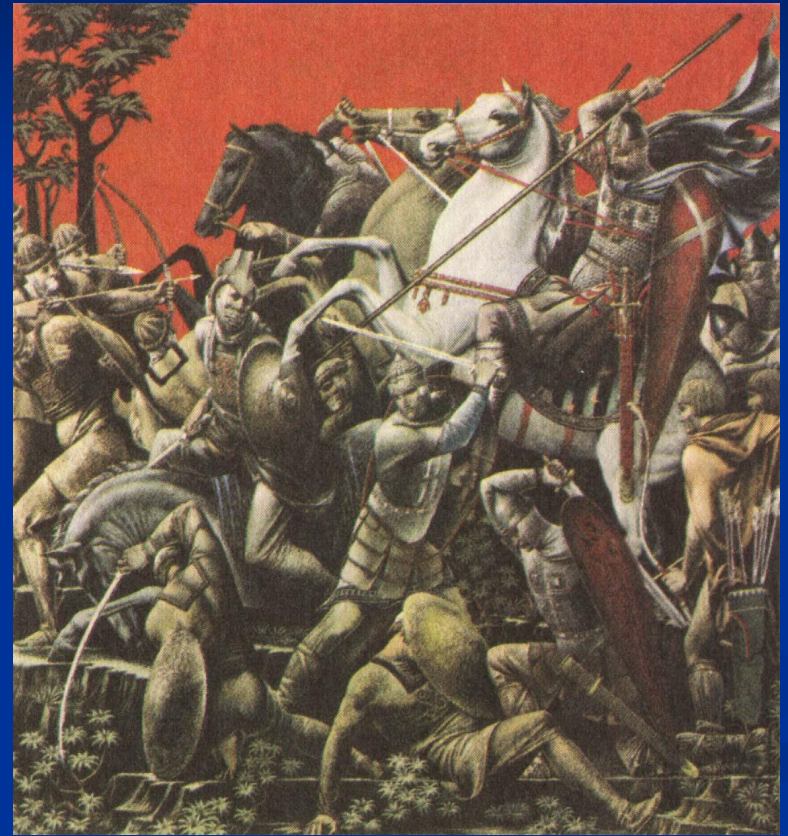

The Dnepr

*The people were hunters
landowners and cattle
breeders. Slavonic tribes liked
the liberty and didn't like
slavery. They were brave.
They were not afraid of
neither a cold nor a hot
weather. Their houses were
made of wood. The chief was
at the head of the tribe.*

Ancient people in Russia made war with other tribes. The power of chives began to grow. They became richer than other members of tribes.

In the 8-th century different trades appeared in ancient Russia. at first our ancestors, were pagans. They worshiped different gods.

The sacrifice

*To the end of the 8-th
century 2 centers Kiev
and Novgorod
appeared in ancient
Russia.*
